Munitions Factory Burned With a Loss of Millions

Austrians Sink Liner; Americans Were Aboard

Big Plant of Bethlehem Steel Company, Engaged in Manufacture of Guns for European War, Probably Is a Total Loss from a Fire the Origin of Which Is Shrouded in Mystery as Yet

VALUABLE MACHINERY IN A TANGLED JUMBLE

As It Fell From Floor to Floor When the Flames, Starting in An Oil Conduit, Swept the Structure, Where Over Two Thousand Men Were Employed On Day and Night Shifts—Eight Hundred Guns of Various Bore Were in Course of Construction, the Value of Which It Would Be Difficult to Estimate—Workmen's Tools Are Reported a Total Loss.

South Bethlehem, Pa., Nov. 10.—Number four machine shop of the Bethlehem Steel company was destroyed by fire this morning. The loss will be heavy. No loss of life was reported. The origin of the fire is unknown, but it started in a pool of oil.

Only the skeleton of the big building is standing. Machinery and war material in the building was said to be worth millions of dollars. How the fire started is not known. It was discovered in what is known as the boring mills section of the plant among a quantity of oil.

The fire spread rapidly and soon the entire building was wrapped in flames. The fire department of the steel plant was called into action as well as the departments from four neighboring towns but their efforts were mainly devoted to saving adjoining property. The value of the guns alone in the shop is said to be several million dollars.

There were about one thousand machines of different kinds in the building running from lathes, shapers and drills down to boring machines. These machines were worth from \$400 to several thousand dollars each, and it is estimated the value of the machinery was several million dollars.

The burned shop was 250 feet wide, 700 feet long and four stories high.

On these four floors, 2,050 men were employed in day and night shifts. In the neighborhood of 800 men were at work when the fire started and so rapidly did it spread that some employees had to make their escape by means of ropes from the different floors.

From workmen it was learned that the fire started among oils near the entrance to the plant. This oil flows in conduits and is used to gather up flying chips which escape in the operation of gun boring.

There was only a spark of fire at first which workmen started to put out by throwing on water. Then followed a mighty flash and flames as high as the structure which seemed to envelop the whole building.

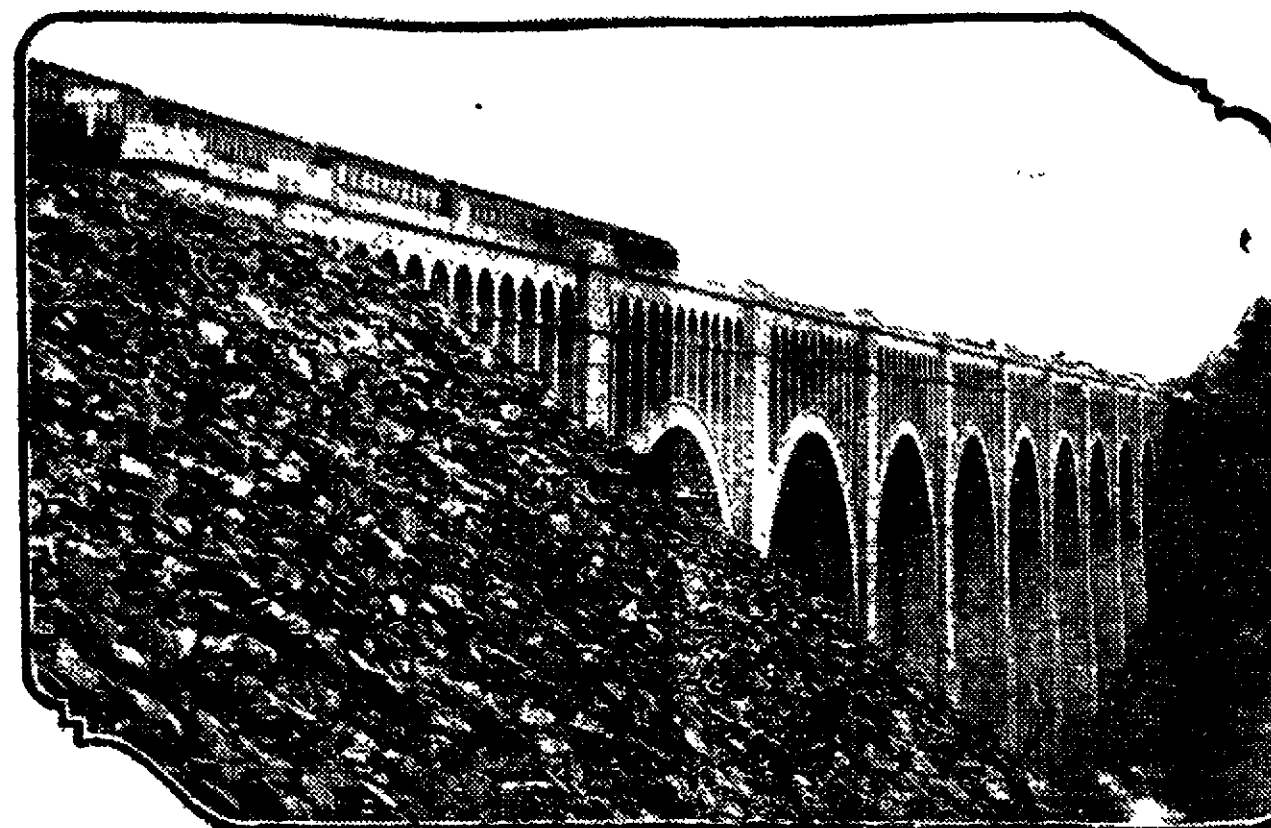

Several alarms were sounded not only in the steel works, but throughout the boroughs of South Bethlehem, Bethlehem, Fountain Hill and Northampton Heights. In a short time East Third street was thronged with fire engines which pumped water on the burning building.

The fire started on the south side of the building and soon ate its way through the structure to the north side. Floor after floor loaded down with machinery collapsed and fell to the first floor where it lay in a jumbled mass. As far as is known there was no loss of life.

The fire probably will burn all day. Some heavy losers are many of the employees who lost all their tools, several having as much as \$100 worth in the building.

Recently the burned building was built and equipped at a cost said to be three million dollars. It was given

TWELVE MILLION DOLLAR VIADUCT CALLED "NINTH WONDER OF THE WORLD"; CONQUERS GRADES AND CURVES, SAVES 20 MINUTES

The Tunkhannock viaduct.

The half-mile long Tunkhannock viaduct, costing \$12,000,000 and cutting twenty minutes off the running time on the Lackawanna railroad between New York and Buffalo, has just been opened to traffic. "The Ninth Wonder of the World," is what the engineers of the road call this viaduct, which is 2,375 feet long, 240 feet high and composed of ten 180-foot and two 100-foot spans. It is the last link of the forty-mile cut-off between Clark's Summit and Hallstead, Pa., near Scranton.

Serbian Situation Grows Worse in North With Important Railroads Doubly Threatened by Invaders

London, Nov. 10.—From the point of view of the allies the Serbian situation grows steadily worse in the north, but offers fresh ground for encouragement in the south. All of the important railway lines that run through Nish, remaining in Serbian hands is a small section near Aleksinac, north of Nish and this is doubly threatened by the Bulgarian advance to the Morava river and the continued southward drive of the German forces from Krusevac, both converging upon Aleksinac, where it seems likely that a junction will soon be effected.

South of Nish the railway is undoubtedly in the hands of the Bulgarians as far as Vele, since Leskovac has been recently taken by them. But south of Vele in the neighborhood of Krivolak, the situation has taken a turn decidedly more favorable for the allies. The Bulgarians are still persistently attacking this point but Saloniki dispatches report they have been driven back no fewer than four times and the net result of the Bulgarians' desperate attempt to work themselves behind the Serbian army has been heavy losses without their gaining a foot of territory. French and British troops figured conspicuously in this Bulgarian repulse, and it is confidently believed here that, reinforced by troops now arriving in large numbers a decisive offense by the allies will be possible in the near future.

The loan by the allies to Greece, definitely announced today, will, it is thought, tend to cement friendly sentiment, and by bowing to the confidence of the entente powers in Greece, will do more than offers of territory or other inducements to quicken that country's benevolent inclinations into positive action.

Reports differ as to the probability of the dissolution of the present Greek chamber, some stating that dissolution is imminent and a decree is on the point of being promulgated; others that former Premier Venizelos and his party are prepared to support the Skouloudis cabinet. General opinion seems to be that all the elements are anxious to avoid a political contest under the present disturbed conditions.

SARCASTIC

COMPARISON MADE BY BRYAN OF PRESIDENT WILSON AND COL. ROOSEVELT

Latter He Says Makes Christ a Molycoddie—Surprised at Wilson However.

Washington, Nov. 10.—Former Secretary Bryan today added a chapter to his disagreement with President Wilson over the question of national defense by issuing a formal statement in comment on the president's recent quotation from the Scriptures in support of his advocacy of military preparedness. The same quotation has been used by Colonel Roosevelt in a recent published article.

"It is not surprising that Mr. Roosevelt should consult the old testament rather than the new," said Mr. Bryan's statement. "Because he classes Christ with the molycoddies, but why should the president, a Presbyterian elder, pass over the new gospel in which love is the chief cornerstone and build his defense upon a passage in the old testament, written at a time when the children of Israel were surrounded by enemies?"

"It is all right for Mr. Roosevelt to sound the trumpet because all colors are red to him. He sees armies marching against us from every direction, but the president is a man of peace and he is in a position to know that no one is threatening to attack us. It is surprising, first, that in looking up Bible authority he should ignore the teachings of Christ, and second, that he should select a passage that refers, not to preparation against imaginary dangers, but immediate action to meet an attack actually made. What the world needs today is a Pentecost, not an Armageddon."

STEEL COMPANY'S UNFILLED TONNAGE. New York, Nov. 10.—The unfilled tonnage of the United States Steel corporation on October 31, totaled 6,165,452 tons, an increase of 847,834 tons over September.

WILLIS

EVIDENTLY DID NOT VISIT LICKING COUNTY SINCE HIS RETURN

As He Affects to Have Heard Nothing But News Giving Him Great Encouragement.

Cincinnati, O., Nov. 10.—"Everywhere I went on my western trip and since my return, I have heard encouraging news," said Gov. Frank B. Willis here this morning following an informal meeting of political leaders.

"The result of the recent election is further reason for congratulation on the part of all Republicans. I am a candidate for re-nomination for governor and I think that the arrangement made a few days ago in which Mr. Burton and Senator Harding participated will lead to further advancement of the republican cause in this state."

"Senator Burton will go before the Republican national convention with the endorsement of the Ohio delegation and the prestige of the state solidly behind him."

Gov. Willis visited Longview asylum early today and later delivered an address before the Cincinnati Chamber of Commerce.

ITALY'S REPORT ON HOSTILITIES. Rome, Nov. 9, via Paris, Nov. 10.—The following official statement was issued today at the headquarters of the Italian general staff: "Continually increasing activity of artillery and aeroplanes on both sides is reported along the Trentino frontier."

DISHONOR

TO THOSE GIVING THEIR LIVES FOR FRANCE, NOW TO TALK PEACE

Premier Briand Tells American Correspondents All Rumors of Peace are Impersonal.

Paris, Nov. 10.—Aristide Briand, chief of the new war ministry of France, received the American newspaper correspondents in a body today, inviting them to ask questions or make requests relative to their work. The question was held by the premier more for personal reasons than with the intention of granting an interview.

"I have made a declaration for my colleagues, and myself to parliament," said M. Briand, "and it would be banal to repeat it to you."

Then came a bombardment of questions on a wide range of subjects relating to the war which the head of the government made unhesitating replies.

Asked regarding peace suggestions, he said: "What are these peace suggestions? They are heard first in one country and then another, impersonal and impudently. They irritate at the present stage of the war. I do not wish to consider them even to the extent of a published denial and rejection. We can think of nothing but to drive forward to complete success of arms."

Speaking with much feeling, the premier added: "Even to mention a peace by compromise or concession is to be untrue to those who are giving their lives at the front."

At another time when America was mentioned, M. Briand declared "the war has brought Americans much closer to us even than they were before. Frenchmen appreciate deeply the sympathy and good will of your countrymen. That perhaps is because every feeling is more intense now than in time of peace."

Although Details Are Lacking It Has Been Reported that Three Hundred Lives Were Lost When Italian Steamship Fell a Victim to the Enemy Who, It Is Supposed, Lay in Wait for Her

TO DEMAND REPARATION IF AMERICANS ARE LOST

Rigid Italian-French Censorship Prevents Rapid Transmission of Details—In View of the Sinking of the Ancona and Reported Activity of German and Austrian Submarines in the Mediterranean, Considerable Concern is Felt Concerning Three Steamers That Sailed From American Ports and Are Now Nearing Italian Mainland.

Berlin, Nov. 10.—(By wireless to Sayville.)—"Information from a reliable source is that the Italian steamship Ancona was sunk by an Austro-Hungarian submarine," says the Overseas News Agency. "She attempted to escape and thus compelled the submarine to use her guns."

AMERICAN CITIZENS MAY BE LOST.

Washington, Nov. 10.—Two Italian-Americans sailed from Naples on the steamer Ancona, according to a dispatch to the state department today from Consul White. One of them was Mrs. Francesca Mascolo Lamura.

Consul White cabled it was verbally reported in Naples 270 persons had been saved.

Consul White's dispatch said the other American citizen was an infant child.

The consul gave the names of no other passengers. His dispatch was the first concerning the Ancona to be received at the state department.

Consul White's dispatch said the Ancona was torpedoed "off Bizerta, in the Mediterranean, North Africa."

REPORTED THAT 300 DROWN.

London, Nov. 10.—It is reported in a message to Lloyds that 300 lost their lives when the Ancona was torpedoed.

Most of the lost, the message says, were women and children emigrants. One hundred and thirty survivors have thus far reached Bizerta.

Malta, Nov. 10.—(Via London.)—Forty-one members of the crew and four passengers of the Ancona, picked up at sea have been landed here.

Rome, Nov. 9, 9:20 P. M.—(Via Paris, Nov. 10.)—The Italian liner Ancona, sunk in the Mediterranean by a submarine, had on board 83 first cabin passengers, sixty second cabin and 330 steerage.

SOME AMERICANS REPORTED ABOARD.

London, Nov. 10.—A dispatch to Lloyds from Bizerta states that some Americans are said to have been on board the Ancona.

A dispatch from the Stefani News Agency of Rome, says that 100 shells were fired into the Ancona before she was torpedoed.

BOATS LAND WITH SURVIVORS.

Cape Bon, Tunis, Nov. 10.—Via London.—Two of the Ancona's boats with 45 members of the crew landed near this point. Some of the men were injured.

New York, Nov. 10.—No word concerning the sinking of the Ancona had been received early today by Hartfield, Solari & Co., local agents for the Italian lines. It was thought in steamship circles that the rigid Italian censorship had caused numerous private and press dispatches to be held back.

A message from Rome today stated there were 482 passengers on the Ancona, instead of 422, as given in previous messages. Wm. Hartfield, general manager for the line here, said the crew numbered 160, making the total ship's company 642.

Of this number 270 passengers, a number of them injured, are reported to have been landed at Bizerta, while a later message stated that two of the Ancona's boats with 54 of the crew, had landed at Cape Bon, Tunis, about 70 miles east of Bizerta.

The Ancona, according to the local agents, was scheduled to sail from Naples yesterday. After leaving Naples the steamer would pass through the Tyrrhenian sea, and enter the Mediterranean between

Assassination of Chinese Governor of Shanghai While Attending Japan's Coronation

Shanghai, Nov. 10.—Admiral Tseng Ju Cheng, governor of the Shanghai district, who was assassinated early today while en route to the Japanese consulate to attend the coronation reception, was accompanied when attacked by Prince Tsai Suun, who headed the Chinese naval commission on a visit to the United States in the summer of 1910.

The admiral was in full uniform. When the automobile in which he was riding slowly, owing to a congestion of traffic drew near, the assassin threw a bomb at the machine, evidently fearing to injure the large crowd of foreigners watching the procession of carriages and motorcars going toward the consulate. The bomb missed its mark.

Another Quality Triumph Hermann Smart O'coats

NOW that the overcoat season has definitely set in, it's well to know where the quality overcoats are to be found—you'll find them here.

QUALITY in overcoats means style that's a bit ahead of the vogue, fabrics that are handsome as they are protecting, tailoring of the real hand-work type.

HERMANN Smart Quality Overcoats are the evolution of fixed merchandising ideals—ideals that lean toward high quality rather than high price and made to our special order by Stein-Bloch, Strouse & Bros. and other reliable makes.

PRICES RANGE \$10—\$15—\$20 and \$25

With Most Exceptional Values at

\$15.00

CAPTAIN AND MRS. JOHN HISER A BRIDAL COUPLE HALF CENTURY AGO

NEGRO NAMED BY WILLIS AS BUREAU HEAD

(Associated Press Telegram)
Columbus, Nov. 10.—Wilbur B. King, colored, attorney of Columbus, was appointed supervisor of the "loan shark" bureau of the state banking department today by Harry T. Hall, state superintendent of banks.

The salary is \$2500. King is a Republican, and for fifteen years was an assistant in the office of the prosecuting attorney of Franklin county.

The new bureau under King will have jurisdiction over persons or companies loaning money on chattel mortgages or assignments of wages at interest rates of more than 3 per cent. Licensed pawn brokers are excepted.

Walter C. Jacobs of Columbus, and Col. F. M. Sterrett of Troy, already have been appointed inspectors in the bureau. Since the so-called "loan shark" law went into effect August 11, they have issued 93 licenses to companies in 20 Ohio cities.

The law under which the bureau will operate forbids charging more than three per cent interest a month with an additional allowance of a \$1 deduction for each loan of less than \$50. No assignment of more than 50 per cent of salary or wages is valid, under the law, and both husband and wife must give written assent to assignments.

When a fellow discovers that he has no balance in bank, it's time for him to take a tumble to himself.

The people who trust to luck are pretty lucky to get any other kind of trust.

When the weather is disagreeable, why make your self so also by talking about it?

THAT OLD SWIMMING HOLE

How to Develop the Highest Degree of Vital, Nervous and Muscular Vigor

Snakes throw off their outer skin once a year. Human beings change their skin perhaps nine times in a year; that is, they have a new skin about once in six weeks.

The value of a clean skin in maintaining health is not properly understood by the majority of people. Cleanliness is a part of health. You cannot be healthy unless you are clean not only externally, but also internally.

The blood should also be assisted occasionally, like the skin, in throwing off poisons so that the system may not get clogged and leave a weak spot for disease germs to enter the system. When the blood is clogged we suffer from what is commonly called a cold.

Dr. Pierce's Golden Medical Discovery purifies the blood and entirely eradicates the poisons that breed and feed disease. It thus cures scrofula, eczema, boils, pimples and other eruptions that mar and sicken the skin. Pure blood is essential to good health. The weak, run-down, debilitated condition which so many people experience is commonly the effect of impure blood.

Dr. Pierce's Golden Medical Discovery not only cleanses the blood of impurities, but it increases the activity of the blood-making glands, and it enriches the body with an abundant supply of pure, rich blood.

Take it as directed and it will search out impure and poisonous matter in the stomach, liver, bowels and kidneys and drive it from the system through the natural channels. It will penetrate into the joints and muscles and dissolve the poisonous accumulations. Bad blood is driven out, it will furnish you with rich, pure blood full of vital force, the kind that increases energy and ambition, that rejuvenates the entire body.

Dandruff Soon Ruins The Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't. It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

PROHIBITION IS DISCUSSED BY LABOR LEADERS

(Associated Press Telegram)
San Francisco, Nov. 10.—One of the principal features scheduled for today's sessions of the thirty-fifth annual convention of the American Federation of Labor, is an address to be made by C. G. Ammon, fraternal delegate from Great Britain, before the federal civil service employees.

The expected resolution refusing official recognition to representatives of religious organizations, the effect of which it is said, would be the align the federation for or against prohibition, was not introduced yesterday, but it is said, will be offered at a later session.

The resolution is demanded by the Milwaukee brewery workers on the ground that the religious organizations are opposed to the liquor traffic.

AUSTRIANS

(Continued from Page 1.)
Of first cabin passengers—eighty-three—as given in a cable report today was too high. He said the Ancona had accommodations for only fifty first cabin passengers. On the last three trips from Naples to New York, Mr. Solari said, more than half of the Ancona's passengers had been women and children owing to the fact that few men of military age are leaving Italy.

The Ancona has not been used as a transport during the present war, the agent said, nor has the vessel carried any munitions. She has been a favorite steamer with opera singers and musicians coming to this country. Titta Ruffo, the baritone singer, was reported aboard the steamer, but this was discredited by his brother in Chicago. Owing to the fact that the Metropolitan opera season in New York will open Monday and that a large number of singers of other companies are already in this country, officials of the line here did not think there was any singers aboard the Ancona. The Italian consulate said they had no information concerning any of the Ancona's passengers.

In view of the sinking of the Ancona and the reported activity of German and Austrian submarines in the Mediterranean and adjacent waters, considerable interest was expressed in marine circles here today concerning three steamers that sailed from American ports and are now nearing Italy.

The Europa of La Veloce line, sailed from New York on October 31, and is due at Naples today, but has not been reported as arriving. The Europa carried 1,125 passengers, a

large portion of them being reservists. The steamer Caserta of the Lloyd Italian line, sailed from here Nov. 1, for Genoa with 1200 passengers, nearly all of them being reservists. The White Star steamer Cretic, which sailed from Boston for Mediterranean ports on October 30, is due at Gibraltar today with 1,088 passengers.

On the Ancona's last trip to New York, she carried 35 Americans. Her total number of passengers was then 483.

UNITED STATES

Would Quickly Demand Reparation If Americans Lost Lives.

(Associated Press Telegram)
Washington, Nov. 10.—Definite information concerning the sinking of the Italian liner Ancona by a submarine flying the Austrian flag was anxiously awaited today by officials of the United States government. Dispatches containing little information other than that the ship had been sunk and that 270 of the 482 persons aboard were saved, received here early today, created a sensation in official circles. Should it develop that Americans aboard lost their lives and that the steamer was torpedoed without warning, the American government probably would demand of the Austrian government disavowal of the act, reparation and assurances that there will be no repetition of the incident.

If administration officials decided that the matter is one calling for diplomatic exchanges, the first step probably would be to secure, through Ambassadors Penfield at Vienna, and Page at Rome, official information from the Austrian and the Italian governments.

Until such data is received, no formal action probably will be taken. Meanwhile officials would make no comment.

Secretary Lansing indicated the United States would await for a reasonable time an official report on the sinking of the Ancona, but that if official word is not received within a reasonable time the department will inquire into the affair through the embassy at Rome. Department officials said they had made no request of American Ambassador Paze nor of any consular officers. They explained that as a matter of duty the nearest consular officer to Balzerta would make a report, especially if any American lives were lost. Dean B. Mason, consul at Algiers, Algiers, about 300 miles east of Balzerta is the nearest American officer. He probably would go to Balzerta to make an investigation should he learn that American lives were lost.

TWO SUBMARINES

Of Germany Reported Sunk in Straits of Gibraltar.

(Associated Press Telegram)
London, Nov. 10.—Telegrams received here from Algiers, Morocco, by way of Madrid, report a British cruiser has sunk two German submarines in the straits of Gibraltar.

News of the sinking of the Ancona was not made public in London until shortly before noon when the censor released the first dispatch from New York on the subject. This dispatch referred to the fact that a sensation had been caused by the torpedoing of the Ancona, but as nothing previously had been heard of the disaster the message was incomprehensible.

CENTENNIAL

Mr. and Mrs. Harvey Peters of Appleton, called on E. C. Alsopach and family Sunday afternoon.

Mr. and Mrs. J. R. Haas and son Ray, Jr., and Mrs. N. V. Haas, son Laurence, and Mary Baglo, were the guests of Newark relatives Sunday.

Several from this place attended the funeral of Mrs. Arthur Kieckley at Chatham, Friday.

The infant son of Mr. and Mrs. Wendell Stevens, near Highwater, was found dead in bed Sunday morning. Funeral services were held Monday at 1 p. m. Interment in Wilson cemetery. Mrs. Stevens was formerly Miss Reba Riley of this place.

Mr. and Mrs. E. A. Haas and Mrs. Ben Weaver, Misses Vaneta and Edna Alsopach, spent Sunday with Mr. and Mrs. Ralph Haas.

Mr. J. W. Clyde is cementing a granary floor for Charlie Porter.

Mr. and Mrs. E. C. Alsopach entertained with a family dinner Friday, honoring Mr. and Mrs. Clifford Alsopach. Those present were Mr. and Mrs. Clifford Alsopach, Mrs. M. B. Hudson of St. Louis, Mr. Frank Toothaker of Newark, Mr. and Mrs. L. E. Alsopach and Mr. and Mrs. Ralph Haas.

The next Grange meeting will be held Wednesday evening, Nov. 17. All members are urged to be present as new officers will be elected at that time. A special feature will be a supper served by the men.

SOUR STOMACH

When vegetable food ferments it causes sour rising in the throat, the formation of gas in the stomach which distends it and causes pain often extending to the region of the heart and arousing a fear of heart disease. This condition is called acid dyspepsia.

Heartburn, a name applied to a pain in the pit of the stomach, with palpitation of the heart, results from acid dyspepsia.

It is a condition that can be corrected by the use of Dr. Williams' Pink Pills to tone up the digestive organs and by a proper selection of food. Send today to the Dr. Williams Medicine Co., Schenectady, N. Y., for the diet book "What to Eat and How to Eat." It contains information about the diet in health and sickness and is free on request. It gives complete information regarding the tonic treatment of many forms of stomach trouble with Dr. Williams' Pink Pills. There cannot be perfect digestion without a sufficient supply of red blood and there is nothing better than Dr. Williams' Pink Pills to enrich the blood and tone up the stomach.

Your own druggist sells Dr. Williams' Pink Pills or they will be sent by mail, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.

ASK CHANGE OF VENUE IN MURDER CASE

ATTORNEY FOR CHARLES ATHEY
IN MOTION SAYS FAIR TRIAL
HERE IMPOSSIBLE.

Judge Jewell Named as Trial Judge
in Case Which Starts Next Week.
—News of the Courts.

Attorney Phil B. Smythe, appointed to defend Charles Athey, indicted for murder in the first degree by the last grand jury, has filed a motion asking that a change of venue be granted his client, claiming that on account of existing prejudices a fair trial in Licking county could hardly be secured. The motion will be passed upon later.

Judge Harry Jewell of Delaware has been named as the trial judge for the Athey case, which is to begin next Monday. Athey with Wilbur Sorrell and David Steffen is charged with the murder of Patrolman Walter Bossoway, which occurred in a pistol duel when the men were alleged to have been engaged in robbing the safe in the office of the Wyeth-Scott company along the B. & O. railroad track.

Motion For New Trial.
In the case of George Weisant, et al., vs. The People's Market Co., which was decided in favor of the defendant's after being heard by the court, the attorneys for the plaintiff, Messrs Martin and Martin and Fitzgibbon, Montgomery and Black, have filed a motion for a new trial.

Commissioners' Meeting.
Commissioners Jos. H. Orr, Frank R. Duram and Orville Kiger are in regular weekly session today and the usual batch of bill were allowed by them. There was no other business of importance before the board and only routine work was transacted.

Secures \$200 Damages.
In the case of Jane Parks vs. Jos. Walton, a suit for \$5,000 damages for alleged injuries sustained by the

Dr. Osler on Tuberculosis

Sir William Osler, one of the foremost of living medical men, formerly of Johns Hopkins, Baltimore, and now Regius Professor of Medicine at Oxford, writes in his "Practice of Medicine" (1912), on page 249: "The healing of pulmonary tuberculosis is shown clinically by the recovery of patients in whose apical elastic tissue and bacilli have been found. In the granulations and associated pneumonia a scar tissue is formed, while the smaller caseous areas become impregnated with lime salts. To such conditions alone should the term 'healing' be applied."

Many eminent medical authorities have testified to the efficacy of lime salts in the treatment of tuberculosis, and the success of Eckman's Alternative in this and allied throat and bronchial affections may be due partly to the fact that it contains a lime salt so combined with other valuable ingredients as to be easily assimilated.

Widespread use of this remedy in numerous cases of tuberculosis—many of which appear to have yielded completely to it—justifies our belief that it is worth a trial, unless some other treatment already is succeeding. It contains no opiates, narcotics or habit-forming drugs. We make no promises concerning it any more than reputable physicians give promises with their prescriptions, but we know of many cases in which it HAS HELPED.

Your druggist has it or can get it, or you can send direct. Eckman Laboratory, Philadelphia.

Obituary

Funeral of Miss Kureth.
The funeral of Miss Edith Kureth who died at her home in Tenth street Tuesday morning will be held on Thursday morning at 9 o'clock in St. Francis de Sales church. Rev. Father Patrick Ruane, celebrating the requiem mass. The interment will take place in Mt. Calvary cemetery.

Burial at Reynoldsburg.
Funeral services for Thomas H. Patrick, aged 87, a retired farmer, who died at his home in Reynoldsburg, will be held at 1:30 tomorrow afternoon at Reynoldsburg Methodist Episcopal church. His widow and seven children survive. Burial will be made in the Reynoldsburg cemetery.

THE SICK

Mrs. Frank Tucker of 370 Buckingham street, who has been quite ill, was removed in the Bradley ambulance to 441 Eddy street.

The bride and groom naturally look pale at a wedding, considering the fact that they are being made wan.

When some people break their good resolutions they will tell you it is only with the idea of making better ones.

Tone Tells the Whole Story of a Piano

YOU don't have to know all about piano construction to recognize a well made piano. Your ear will tell you when you hear the tone.

Every operation, every piece of wood or metal, every adjustment has the one object in view in the making of a Crown Piano and that is—TONE.

Crown Pianos

proclaim their careful construction by their wonderful, pleasing, musical tone. You do not have to be a musician to appreciate it. You know the construction must be right to produce and maintain such a tone. For years we have told the public

"The Quality Goes IN Before the Name Goes ON"

The slogan in the factory is "The Quality MUST go in before the Name CAN go on."

Before deciding on any piano, regardless of price—hear the tone of the Crown.

There are many points to bear in mind in selecting a piano, and many tests of tone, action and construction that you ought to know.

Send for our booklets which explain piano value, also what to look for in the selection of an instrument for your home. These booklets contain real piano information, and guided by them you are sure to select a good piano. They are FREE for the asking.

Mail the Coupon TODAY.

Address

Detroit Electric

\$1975 to \$2275

—absolute silence
in operation

The motive power of the Detroit Electric is a perfectly fluid, continuous stream of electricity. There are no explosions, no intervals between impulses, no over-powerful engine pounding away at 2000 revolutions per minute, nothing to jar and tire you, nothing to batter the mechanism and pile up heavy bills for repair, replacement, and adjustment. You'll be surprised at the distance you can ride in a Detroit Electric without the slightest fatigue. And it is the preferable automobile because of its cleanliness and freedom from the fumes and odors common to gas cars. On any day you say we'll be glad to arrange a demonstration for you.

Prices range from \$1975 to \$2275

March 10, 1882, at the Postoffice at
Newark, Ohio, under Act of March 4,
1879.

Recent State Fair.

Plans are being laid by John Begg, President of the Ohio State Board of Agriculture, to perfect an alibi for the failure of the new Willis board in the management of the recent state fair. Mr. Begg is acting for Governor Willis in the matter because he is the recognized Willis representative on the board, and because of his past connection with farmer institute work. The alibi is to be made at farmer institutes which begin this month and the explanation is to be offered that the "decentralized" commission is responsible for the growing deficit. This is untrue. The old commission gave a successful state fair within an appropriation of \$75,000 and made a profit of \$10,000. Its contracts for this year had been made on the same basis. But when Reinfel Dunlap and the new board came in they began building political machinery in a deal to further personal ends and waste money right and left. Bands were hired for music which figured \$12 per hour per man. Billboards were used extravagantly. Disinfectant for the grounds cost \$150, where in previous years it cost \$12. Upwards of 50,000 free passes were issued indiscriminately to political workers. Friends were put on the payroll. Personal boosters for the fair on Columbus newspapers told how successful the thing was while in operation and for this they got \$250—but the truth came out and is still coming.

At first it was seen the fair quit \$20,000 in the hole, that meant 40,000 passes. Then an appeal was made to the emergency board to make up the deficit. Secretary Dunlap made a blanket report which was rejected and former Secretary Fleming asked to make a report in detail. This report has just been completed. It is a revelation of mismanagement which is worse than graft, and it is no proof that somebody has not gotten something for nothing. It shows that four agricultural papers have received large subsidies, and it shows that Secretary Dunlap issued orders for expenditures after the board had deposited him for gross mismanagement. More than all else it shows that the excess over appropriations is nearly \$40,000 which with loss of profit of \$10,000 makes the total deficit about \$50,000. This would mean 100,000 passes—did you get yours?

Institute instructors are being stuffed with straw to fool the farmer who did not get a pass, and who has been fooled so long already. So the farmer ought to be ready for him. Ask him how many passes were issued. Ask him how the attendance was larger and the receipts less. Ask him why the same things that made up the fair in years previous cost in all instances more this year, and in many instances ten and twenty times as much? Ask him why Secretary Dunlap was deposed from the fair management. Ask if he has done a single word of efficient action since in office? Ask if it is not a fact that he is holding his job even now without doing a single thing, in a deal with John Begg, president of the board, by which the worthy Mr. Begg is to be made the next state Grange Master in an overthrow of L. C. Taber? Ask if it did not cost the state of Ohio \$600, that ten of the members might enjoy a fish dinner at Akron locating a fish hatchery which was already built?

Keep in mind that pass business. If President Begg wants to explain anything at all let him explain why if this is a farmers board, the farmers did not get some of the passes. They did not—of this the writer of these notes is so sure that

he will buy a new hat for the first simon pure farmer who appears with proof that he was given a pass to the state fair.

Metropolitan Smart Alecks.

A correspondent from a suburban town writes as follows: "If those Smart Alecks on the big metropolitan newspapers would devote less space to burlesquing the news items sent in from villages like this, and more energy to getting news accurate, they would have more subscribers."

This correspondent goes on to detail one favorite way these big newspaper have of making their columns seem up to date. If they get hold of a news item from the country that seems interesting but rather old, they will print a date line on it so as to make it appear that it happened the day before the paper was published, when it may be weeks or months old. That makes the paper look up to date, and not many people know the difference.

Still a newspaper can't fool people indefinitely. A paper that does that kind of thing over and over again will get a reputation for carelessness and worse. The home town paper, published in the community where it gets most of its business, can not play these little tricks. It realizes that every misstatement of fact, even though slight, hurts the paper, and works 365 days in the year for accuracy.

Those bonds of European government may be all right and in all probability they are. But if your money is in the home savings bank, you aren't grabbing at the newspaper every day to see if anything has happened to effect the credit of the governments that owe you money.

Dusty Rhodes has now pretty well escaped the danger of having to assist in the wheat and corn harvest, but he may still fall into a district where they need assistance apple picking.

The bank presidents and manufacturers won't retain the good opinion of their clerks unless they buy new fall derby hats.

Nothing is gained in the war by killing women and children, but it makes some of the fighters feel lots better.

Church Non-Attendance.

(Pittsburgh Dispatch.)
Again comes the question: What is the matter with the church? and it is asked, not by a critical non-churchman, but by a leader in his denomination and asked, presumably to arouse his fellow-ministers to the need of bringing about a change. It is a question that has been asked these many years and in the effort to give an answer some unusual, and even weird, moves have been made by clergymen here and there to awaken interest in their efforts and increase attendance. The endeavors of churchmen here and there to offer in their churches attractions of the wordy sort, the lure of which they cry out against when they are presented elsewhere, have proved generally a sorry failure, however much some individual preacher may now and then shake hands with himself for his success in this regard. The theatre is denounced, but the good people are urged to attend an amateur performance when it is given in the church—and most folks will agree that the average amateur performance is as antithetical to the church as a snake to a child. The nickel show is antithetical, but the movie is sanctified when called into requisition to help out a sermon. Competition one day in the other six scarcely can be expected to profit the preacher very much. Rev. Dr. W. Quay Roselle of Philadelphia, who asked the question of his fellow-members of the Baptist Ministers' Union, gave a partial answer to his own query when he

said that too often the ministers give stones when the people ask bread; those who seek comfort and spiritual elevation are offered meaningless platitudes or a "calling down." Might he not have added that sticking to preaching the Gospel of Christ would be worth a trial, that the minister will not go far wrong who lives up to the idea, and impresses it upon his people, that the house of God is a house of prayer and not a playhouse, that the people go there—or should—to humble their hearts before their Maker and not to be entertained? He did well to remind his colleagues that the preacher should not set himself upon a pedestal. The Pharisee was the holler-than-thou; the humility of the publican brought reward. And did not the Greater Preacher say: "Come to Me all ye who are weary and heavy laden?"

Yale Going Dry.

(Pittsburgh Gazette-Times.)
No orders were ever more timely, or more responsive to prevailing public sentiment and parental wishes than those issued by the faculty of Yale banishing liquor from all clubs, fraternities and secret societies to which undergraduates belong. It is explained that this action is taken because a new state law requires all clubs to obtain a special license to entitle them to sell liquor to members. Social drinking in some colleges has existed a long time and the state laws against serving liquor to minors hardly ever applied, for while under our system of education young men of 21 or over are in junior and senior classes, yet the great majority of the youth of colleges in the United States are minors. So far as generally known, these boys could get their drinks as easily as could their older fellow students, if they belonged to clubs or fraternities in which drinking was permitted.

The Yale faculty has set an example which may result in similar orders going out in institutions of learning in states which have no law like Connecticut. Any improvement in student habits that may result will be appreciated by the public, while parents can be depended upon to prefer temperance colleges, everything else being even nearly equal.

Pointed Observations

Eighteen per cent. of New York's population is reported flat-footed, but the majority seems level-headed. —Wall Street Journal.

Judging from the vote on the new Constitution, Elihu Root would make an ideal commander-in-chief of the Russian army. —New York World.

Holland has got out an orange book about the war, but if somebody could just get the truth, the whole truth and nothing but the truth about the war it would make a peach book. —Indianapolis News.

When the suffragists asked sympathy from the President they forgot that the Jersey bosses must discredit his leadership or die. —Florida Times-Union.

With coal at \$30 a ton in Italy, Pennsylvania should be able to do business. —Springfield Republican.

Edison says the next great war will be fought with machines. We used to think so, too—typewriting machines—but this press censorship stuff has made us skeptical. —Manchester Union.

If the bankers are trying to get in closer touch with the farmers they will find it easy to do. The farmers have been trying long to get in touch with the bankers. —Florida Times-Union.

Every Philadelphia election brings up some doubt of the propriety of that "brotherly love" title. —Washington Star.

A Little Fun

Two Periods.
He—There are two periods in a man's life when he never understands a woman.
She—Indeed! And when are they?
He—Before and after marriage. —Philadelphia Evening Ledger.

A Shade of Difference.
"Willie, didn't I tell you not to play with that Wiggins boy?"
"I ain't playin' wit' him, I'm fightin' wit' him." —Michigan Gargoyle.

Not Needed.
"Say, Johnnie," commented Rastus, looking up from his paper, "it says head eat in Sumatra, a man kin buy a wife foah foah dollars."
"Foah dollars!" gasped Johnnie.
"Ef a nigabag's got foah dollars he don't need no wife." —Dallas News.

A Good Advertiser.
Jagwell—What makes that hen in your back yard cackle so loud?
Wigway—Oh, they've just laid a corner stone across the street, and she's trying to make the neighbors think she did it!

Natural Consequence.
"Where are you off to in such a hurry?"
"To fetch the doctor for my husband."
"What's up with him?"
"He tells me he has got hepatitis, dyspepsia, rheumatism, enteritis, gastritis, appendicitis, nephritis and cerebro-spinal meningitis."
"Where he did he get all that?"
"Why, a man induced him to buy a medical dictionary, and he's just begun reading it!"

Have no fear of a boy being too studious. A thirst for knowledge doesn't develop water on the brain.

Spirit of the Press

Little Interest in Assessors.
Although local tax assessors were selected at the election Tuesday for the first time in several years, little interest was taken in the candidates. Except in a few instances there were no contests for the place. In fact, each party experienced some difficulty in obtaining candidates with sufficient interest in the matter to secure the required number of signatures to a nominating petition in order to get their names on the ballot. In several precincts full tickets were not presented. —Martins Ferry Times.

This truthful comment points out the folly of another Republican measure of decentralization. The claim of the campaign and the theory of subsequent legislation was that the people had been robbed by the Warnes law of power in the choice of assessors. Appointment of assessors was an unrighteous arrangement, it was said, and the people were clamorous for the restoration of their power. So the efficient Warnes law was repealed and another providing again for elective assessors was passed. Nothing but difference in the exercise of that power has followed. There was mechanical voting for assessors, when anybody sought the office or party committees supplied the vacancies. What was it that was wanted? A tax-dodging chance? Well, it has come.

Next year there will be an opportunity for the people to express their opinion of the rest of the decentralization program of the Willis administration. —Columbus Dispatch.

Home-Grown Model.

Speaking of the Mexican cactus that blooms once in six years and then shuts up, some of the patriots below the Rio Grande should follow suit. —Washington Post.

Irresistible.

Never argue with the barber. He can, in three minutes, think of more reasons why you should have a massage than you can confute in a week. —Oklahoma City Times.

Off Agin, On Agin
STRICKLAND W. GILLULAN

After James W. Riley
There, little girl, don't cry!
They have shortened your skirt, I know
But the fun man gets
Watching pantalettes
Will lessen the old earth's woe.

They'll go out of style again, by and by—
There, little girl, don't cry!

Pinnigin Philosophy
Anything that promises a better income for a man and his folks arouses a splendid emotion in that man's brist, b'gorn!

'Course Not
"Now," chuckled Satan, "as he was torturing the weather man for his long mundane career of almost uninterrupted lying, 'we'll shovel in just a little more coal, and send up a signal, 'Fair and warmer.'"
"No, no!" screamed the poor fellow, as he writhed on his sizzling white grid. "To make it any warmer can't be fair!"

And Do We Believe Him?
"Break any of my campaign pledges?" wept the candidate for office. "Break any of those sacred promises? Why, my beloved voters, I won't even bend any of them!"
After he went home that night his wife had an awful time with hot water and liniment getting his poor, cramped fingers uncrossed.

November.
November is one of the niftiest little months we have.
Its name signifies ninth, but it's really not.

Years ago, they began the year with January, but when February had turned in its report and was found to be two whole days short, they decided to turn over a new leaf and start fresh.

So November was the ninth month after that.
November is the month in which people recover from Halloween and get ready to be thankful that the football season has ended.
Turkey's roost high during this month.

This is in response to a rigid proviso in every turkey's life insurance policy.
Any Turk, roosting lower than 20 feet from the ground has his policy cancelled immediately with no return of premiums paid.

November is the month in which one gets enough of October weather to make one wish that month had stayed, and enough of winter to wish that season would hurry along.

In some localities north of the Carbondale, Ills., parallel, they do their hog butchering in this month.

When both the moon and the hog are at their fullest, the deed is done.
Some really frosty morning the neighbor who owns a rifle comes over and makes some bullet-patches from the remains of an old cotton sheet, loads his ancient six-foot-barrel hexagonal Winchester and shoots the pigs.

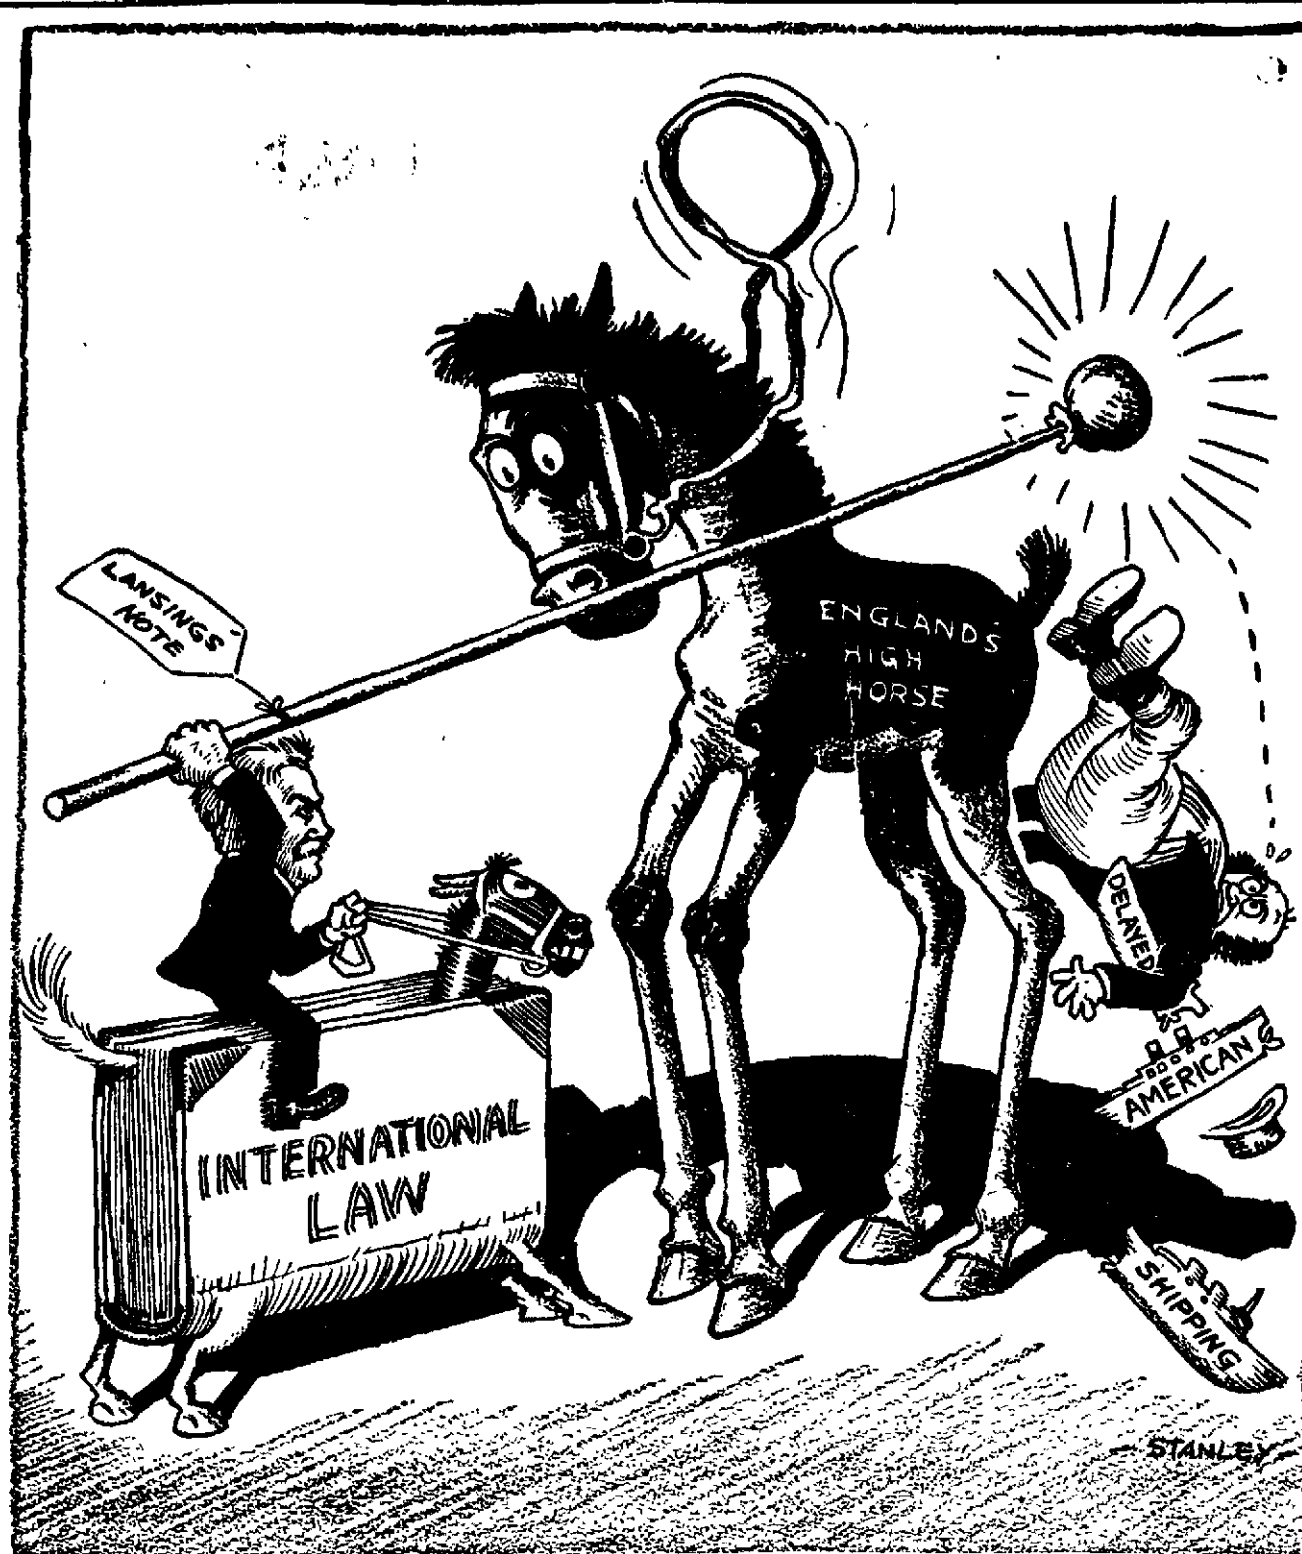

Home talent completes the job with a swift stiletto stab behind the left foreleg, and the mess begins.
The house smells of cracklin's for a week, and the boys draw cuts to see who will get the majority of the bladders.

November is the next to the last month in the year.
If it were not for one thing, it would be the last.

That one thing is December.
How?
How do the busy little pup
Improve each shining minute
And never see some fresh cement
But that he must walk in it?

That Much, At Least.
When a man falls and is killed while trying to loop the loop in an

UNHORSED

aeroplane, the public feels that at least he had been guilty of contributory negligence.

Even Duffy Lewis isn't as well known as he was on the 11th of October.

A Difference
When Germany wants to make an aggressive move somewhere, she takes a lot of troops we didn't know she had, and gets busy.
When England feels the need for better results, she calls a session of Parliament and Kitchener is quoted as having indulged in large talk.

Rippling Rhymes

Beating Down Prices.
I called on Rumbelow & Ratz, who deal in fancy Thomas cats, shipped in from France and Spain; I noticed when I stepped within that both the partners ceased to grin, as though they had a pain.

And every place I go to trade, I see the smiles from faces fade—I often wonder why; oh, why do merchants greet with backs and bows and manners sweet, and meet me with a sigh?
"My place is overrun with rats," I said, "I want twelve pounds of cats, so kindly quote your price."
"Our cats," said Ratz, "are hale and sound; the price is seven cents a pound, which is a sacrifice." "Great Scott!" I cried, "your price is fierce! John Jones sell tomatoes by the tierce, and only charges six; if you'll come down a cent a pound, just send a crate of tomatoes round"; the partners answered, "Nix!" I stood and argued for an hour, and on their mugs expressions sour still deep and deeper grew, until they laid me on the floor and dragged me to the open door, and calmly pushed me through. I wonder why the merchants frown when I go shopping in the town, to buy all kinds of trash; they all seem happy when I quit, my winning ways don't make a hit, and no one wants my cash.

Things to Worry About.
There were only 354 days in the year 1752.

Our Daily Special.
Candidates and lovers never live up to their campaign promises after they are elected.

Luke M'Luke Says:
We are not strong for woman suffrage. But any woman who supports her husband should be entitled to do his voting.

What has become of the old fashioned woman who used to do her "chores" in her bare feet and who saved her shoes and stockings for "company" and church?

The weather may affect other things. But you can always bet that there will be a bountiful prune crop.

When the first baby has produced its first tooth mother can't see how father can find anything interesting in the war news.

There are not many sure things in life. But you are usually safe in betting that the fellow who is speeding around town in a machine and taking all sorts of chances to make fast time is not going anywhere in particular.

Another trouble with the world is that a whole lot of people are trying to write verse and prose when they should be reading a speller.

The man who can't find anything to praise even when he is wearing glasses hasn't any trouble in finding fault even when his eyes are shut.

A girl can have a cold in her head and look nice enough to kiss. But it is different with a man.

Getting married in June isn't going to make your wedded life a continual picnic.

The movie films are getting crazier every day. They might have stopped at running motor cars up the side of a thirty story building, and we would have believed THAT possible, but a recent film depicts a scene wherein daughter is washing the dishes in the kitchen. We are willing to stand for some movie fakes, but this is the limit.

It is funny that a girl can't walk a mile without being completely exhausted and yet can dance fourteen miles and want more.

The reason why we are all so free with our advice is because we carry a different brand for our own use.

It may be quite natural that the fellow who is always on the level isn't the one who climbs upward.

Society

Mrs. J. H. Kinser was hostess last evening at a surprise party given in honor of her daughter Miss Eva Kinser at her home.

Among the guests were the following: the Misses Mildred Quinn, Helen Young, Theresa Pratt, Sarah Greene, Mary and Katherine Applegate, Ruth, Alice and Esther Weeks, Mary and Pauline Kinser and the Messrs. Young, E. Amos, M. Rauch, Van Tassel, H. Davis, S. Bailey, W. Davis, F. C. Johnston, S. Amore, F. Peppers and G. McDaniels.

A delightful evening was spent, the guests were entertained by Miss Mildred Quinn and Messrs. Young and Davis with musical selections. A delicious luncheon was served. Covers were laid for thirty and the decorations were in gold and green.

Alapach-Berger.
The wedding of Miss Emily Berger and Mr. Clifford Alapach took place Wednesday, November 3 at 10:30 o'clock a. m., at the Grace Methodist church in Columbus, O. Rev. A. B. Davis, former Chatham pastor, read the marriage service, and immediately following a wedding dinner was served at the home of Mr. and Mrs. Levi Knowlton, uncle and aunt of the bridegroom. The bride is the daughter of Mrs. M. B. Hurdell of St. Louis and Mr. Alapach is the son of Mr. and Mrs. E. C. Alapach of Centerville. They will reside in St. Louis.

Mr. and Mrs. Edward Grant delightfully entertained the L. S. B. class of the First Presbyterian church and a number of their friends Monday evening, November 8, in honor of their son Ben's sixteenth birthday anniversary. The evening was spent in playing games, after which refreshments were served.

The guests were: Misses Ruth Kastla, Dorothy Moran, Florence Donahue, Clarice Roney, Sara Long, Louise Henderson, Jessie Simpson, Marion Rosser, Mary Snidith, Sarah Grant, and Mr. and Mrs. L. A. Stevens, Messrs. A. R. Evans, Paul Hazlett, Lester Handle, Moston Elber, Walter Coon, William Broome, Cyril Zentmyre, Lewis Spellman, Howard Workman, Harold Keineth, Merrian Bingham, Paul Wright, William Flock, Walter Holmes, and the host, Ben Grant.

A number of the friends of Mr. C. W. Thomas surprised him at his home in Wilson street on Sunday, when they gathered there to remind him of his sixty-first birthday anniversary.

A delicious dinner was served at noon to the following guests: Mr. and Mrs. G. E. Howell, Mr. and Mrs. H. Butte, of Hebron, Dr. and Mrs. Taylor of Newark, Miss Catherine Elizabeth Howell, Mr. Robert Vern.

The regular meeting of the Monday Talks was held on Monday afternoon in the social rooms of the First M. E. church and the following program was given from the calendar:

Outline of Young Russia's History to Peter the Great—Mrs. F. W. Seymour.
Lewis Carroll—Mrs. Fred Moore.
The meeting next week will be held in the Trinity parish hall when Mrs. A. B. Crawford will give a paper on "A City of Peter" which will be illustrated with pictures scenes of Russian life which will be shown by means of stereopticon slides. Each member of the club has the privilege of inviting a guest to this meeting.

Mrs. James F. Irwin is entertaining with a sewing party at her home in Hudson avenue on Thursday afternoon, honoring her daughter, Mrs. Leon Weston of Withrow, Wash., who is visiting here. The company will include a number of the friends of Mrs. Weston.

Cards have been received in Newark, which were issued by Mr. and Mrs. William A. Ashbrook of Johns town, for a reception to be given by them on Friday evening at their home, honoring Mr. and Mrs. Byron B. Ashbrook, whose wedding recently took place. Mrs. Ashbrook was formerly Miss Helen Wright of this city. The hour named is 8:30 o'clock.

The Daughters of Trinity will entertain with a tea on Friday afternoon.

Removes stains

Much cleaner and pleasanter than ordinary lemon, and more effective, without harsh action on the skin.

CALIFORNIA CITRUS CREAM

Better than soap for dirt and grease. Softens, yet "firms" the skin, instead of leaving it flabby.

Absolutely pure. Contains no chemicals, no grease to grow hair, no "filler," no perfume.

In the disk-bottom tube that reads alone 25c

We have in our store between two and three hundred Trimmed Hats that we wish to close out very quickly. Many of them are new samples or pattern hats. The prices will be low. **CLOUSE & SCHAUWEKER.**

noon at the home of Mrs. George Unreiser in East Church street. The hours are from 3 to 5.

Mrs. Kemper Scott was hostess to the members of the Tuesday Afternoon Bridge club on the club day at her home in Eleventh street. The club game afforded the entertainment and the club favors were awarded to Mrs. E. C. Wright and Mrs. Clarence Halsey, while the guest's trophy was received by Mrs. Malcolm Baker.

The guests of the club were: Mrs. Alda Scott, Mrs. Walter Scott, Mrs. Malcolm Baker, Mrs. Harry Baker, Mrs. J. Howard Jones, Mrs. Robbin Hunter, Mrs. C. H. Stinson and Mrs. Dickinson.

The next meeting of the club will be held at the home of Mrs. Charles Hollander in Webb Place.

On November sixth the Photozetae club met with Miss Alice McMahon of 97 North Fourth street. The guests were Mrs. Peck, Mrs. Harold Peck, Mrs. Markham, Mrs. Chas. Lindsay, Mrs. Frank Horner, Misses Haughey, Murphy, Anna, Frye, and Lena Anderson. The following interesting program was listened to:

Quotations—Gertrude Richards.
Pronunciation of South American Names—Thora MacDonough.
The Great South American Desert—Faith Fry.
Reading—Thora MacDonough.
The Tale Expedition; Its Discoveries—Bertha Crilly.
Vocal Solo—Ruth Kastla.
Current Events—Elizabeth King.
Critic—Ada Simms.

Ruth Wheatcraft was pleasantly surprised at her home in Granville, O. November 5th, it being the eleventh anniversary of her birth. The evening was spent in games and music.

Luncheon was served to the following: Misses Leona Griffith, Gertrude Bowden, Kathern Rohrer, Mabel Ackerman, Bessie Hale, Mary McClain, Bernice Welsh, Hazel Gosnell, Lioi Frederick, Hazel Dunlap, Ruth Hobert, Jennesse Carpenter, Ruth Wheatcraft, Mrs. Olive Chopson, Mr. and Mrs. Wheatcraft.

Lovely tokens of remembrance were presented to the little hostess.

Miss Ridel entertained the N. O. C. sewing club at her home in Wilson street. After business was transacted the evening was spent in sewing after which a delicious luncheon was served to the following members: Misses Nellie Smart, Myrtle Vogel, Kathryn Steinhar, Lena Robinson, Mary Kinser, Ella Willis, Ethel Spence, Tillie Ridel. The guest of the evening was Mrs. Kin-kaid.

Golden Wedding.

Tuesday evening November 9, two of Newark's best known German-American citizens were granted the rare privilege of "rounding" the golden mile stone of married life when with a number of self-invited guests, Captain and Mrs. John Hiser celebrated the fiftieth anniversary of their happy wedded life, at their residence 29 Granville street. As the Captain said, it was a "put up job."

Mrs. John Hiser, Jr., and Miss Emma Weiler, daughter of Melchior Weiler of South Fifth street, companion and member of Captain Hiser's company of the old 76th regiment O. V. I. were found guilty of making the surprise party possible. Relatives, friends, neighbors and old comrades to the number of nearly one half a hundred also helped to "pull off the job." While the cat was let out of the bag, yet it was so arranged that the Captain and his estimable wife were lead to believe that a few friends would call. The surprise was complete when ladies dressed in the costumes of fifty years ago, and their husbands took the home by storm. To say that the Captain and his blushing bride of 1865 repeated would be doing them an injustice and would bid the honors handsomely. At 10 o'clock a splendid supper was served, and then the surprise of the evening was sprung by Dr. Willard Rank who on behalf of himself and wife (nee) Cecelia Wehrle presented the Bride's Cake to their beloved hosts. The cake was a creation from the confectioner's hands and many of the "younger ladies" said made to the order of Dr. Rank. It was a two story, or rather a double layer cake both layers being heart-shaped, beautifully ornamented in orange blossoms formed by the icing. Fifty lighted candles in fifty tiny candlesticks and decorated with white and gold ribbons, but what a joyful surprise awaited the guests as the doctor carried the cake proudly through the rooms that all might see and enjoy it with the happy bride of one-half a century ago. The following celebrants of the wedding feast were seated at the bride's table. The bride and groom Mr. and Mrs. John Hiser. One of the original bridesmaids Miss Kate Buckle and one of the original groomsmen Mr. George Buckle brother and sister of the bride, Miss Elizabeth Buckle who was joined in the holy bonds of wedlock to John Hiser by Rev. Father Lewis of St. Francis de Sales church fifty years ago. The other bridesmaid was represented by her sister, Mrs. James Conroy formerly Susie O'Hare of this city, now residing at Chattanooga, Tennessee and the other groomsmen by Mrs. Frank Bader, whose father was the late Martin Pendergast. Dr. and Mrs. Rank, Dr. and Mrs. Stedem and Miss Kate Buckle another sister of the bride.

After the tea had been served the pleasant task of cutting the cake was imposed upon Dr. Rank. Mrs. Hiser and the gallant Captain each found the five dollar gold pieces. Mrs. James Conroy the gold thimble, the gold ring was found by Mrs. Frank Bader, the button was not found but will be reported later as every guest present was served with a piece of the cake. A toast was then proposed by Dr. Stedem to the long life and well wishes for the future of the bride and groom, which was responded to by Mr. E. J. Maurath in his usual witty manner. The guests were also presented with

the miniature candle sticks as souvenirs of this enjoyable occasion. During the day the bride was the recipient of many letters of congratulation from her friends and a profuse shower of beautiful flowers, roses and chrysanthemums predominating. One of the beautiful features of the occasion was that all preparations and the labor of the serving and entertaining of the guests was assured by the kind friends and neighbors of the bride and at a late hour all wishing the host and hostess many happy returns of their wedding day voted the evening spent as one of the happiest hours of their life.

The following were the family and friends present: Dr. and Mrs. Rank, Dr. and Mrs. Stedem, Mr. and Mrs. Edward Franklin, Mr. and Mrs. E. J. Maurath, Mr. and Mrs. J. A. McGonagle, Mr. and Mrs. U. Mohr, Mr. and Mrs. Burton Hoover and little son, Mr. and Mrs. Bertram King, Mr. and Mrs. Dan Murphy, Mr. and Mrs. A. Recknagle, Mr. and Mrs. Marlon Christian, Mrs. Frank Bader, Mrs. Willis Slanker, Mrs. Annie Sex, Mrs. James Conroy, Mrs. John Foreman, Mrs. Eva Haughey, Miss Eliza Sauer, Mrs. William Wehrle, Mrs. John Simpson, Mrs. John Hiser, Jr., Misses Ella O'Connell, Grace Haughey, Rosa Doran, Emma Weiler, Josie and Kate Buckle, Messrs. Melchior Weiler, James Jennings, Edward J. Maurath, George Buckel and John Hiser and wife and little Mary Elizabeth Hiser the four year old flower girl and adopted grandchild of the Captain and wife and Clifton Rosebraugh.

Mr. and Mrs. A. A. Lake of Roe avenue gave a dinner last Sunday, their guests being Mr. and Mrs. A. W. Clagget of Granville, Mr. German and daughter of Nashport, Mr. and Mrs. Will Dispennett, Earl and Carl Dispennett of Linnville, and Miss Bernice Hines of Newark.

Miss Ellen Rolands entertained at dinner Sunday at her home in West Main street in honor of Mr. and Mrs. R. G. Zesiger, who are soon to leave the city.

The members of the Unity Reading Circle and a number of guests were entertained at the home of Mrs. J. C. Cockoven in the Jefferson Road on Tuesday afternoon and the following program was given:

Quotations: Favorite Recipe—Mrs. H. H. Postle.
Current events.
South America—Natural Resources—Mrs. B. S. Swingle.
Language and costumes of the people—Mrs. Charles Warner.
Critic—Mrs. James McGough.

The responding to the quotations with the favorite recipes of each member proved a delightful feature of the afternoon, and note was made by each member present of the suggestions offered.

On Saturday afternoon Mrs. W. F. Huston entertained in honor of her daughters, Addie and Beatrice, in the form of a surprise. The hours from 1:30 to 4 were spent in music, games and contests, the prizes being awarded to Harold Macklin, Alta VanWinkle, Lowell Jones and Robert Bryan. After this, a dainty luncheon was served to the following: Nora Porter, Olevia and Cecillia Haas, Baudelle and Oza Westbrook, Hays, Hanley, Alta VanWinkle, Roberta Walker, Florence Roberts, Beulah Brown, Louise Wolfe, Addie and Beatrice Huston, Lemuel Westbrook, Oren Wolfe, Edgar Porter, Charles and Burrell Roberts, Lowell and Wayne Jones, Harold Macklin, Carl Hara, Harold and Lester Holtz, and Robert Bryan. The hostess was assisted in serving by Mrs. Annie Jones, Mrs. G. D. Macklin and Miss Laura Tavener.

Miss Edith Winters entertained on Tuesday afternoon from 3 until 5 o'clock in honor of her ninth birthday anniversary. The prizes in the contests were awarded to Geraldine Stoltz and Mary Alice Murphy. A two course luncheon was served, the table being decorated with the birthday cake and candles. The following were her guests: Mary Alice Murphy, Geraldine Stoltz, Francis Tollett, Dorothy Schaller, Beatrice Lornis, Dorothy Priel, Margaret Winters, Marie Lytle, Gladys Richards, Carrie Carr, Mary and Edith Winters.

NEIGHBORHOOD PRAYER MEETINGS

The weekly neighborhood prayer meetings will be held this week at the following homes to which the neighbors and friends are very welcome. The meetings commence at 9 a. m., for Bible study and prayer, and are entirely undenominational. Subject for the meeting: "Possibilities of Christian Life in Prepared Soil."—Matthew, 13: 8-23.

Division 3, Mrs. Grant Jones, 396 Indiana street.

Div. 13, Mrs. J. M. Workman, 76 Prospect street.

Div. 34, Mrs. Jenkins, 214 North High street.

Div. 12, Mrs. Shaw, Leonard ave. Topic for Nov. 18: Which am I?—Matthew 13:24-30.

Robert Northey.

You never can tell. Many a man with broad shoulders is mighty narrow minded.

New Treatment for Croup and Colds

Relieves by Inhalation and Absorption. No Stomach Dosing.

Plenty of fresh air in the bedroom and a good application of Vick's "Vap-O-Rub" Salve over the throat and chest is the best defense against all cold troubles. The medicated vapors, released by the body heat, loosen the phlegm, clear the air passages and soothe the inflamed membrane. In addition, Vick's is absorbed through the skin. 25c, 50c, or \$1.00.

Personal

Mr. and Mrs. F. H. Fletcher have returned from a wedding trip to Cumberland, Md. Mrs. Fletcher was formerly Miss Ida Schenk.

Frank L. Beggs who is national president of the Extract Manufacturers association, is in New York today.

Mrs. M. C. Youkum and Mrs. M. E. Bell of Huntington, Pa., are the guests of Mr. and Mrs. Robert Muselman, living west of Newark.

Miss Hilda Foreman and Miss Stella Hillbrand spent Sunday at Union Station.

Mrs. R. D. Bowden has returned from a week's visit with her son, Rev. R. G. Bowden, of Jacksonville, O.

Mr. C. L. Gabkee is in Columbus today on business and will remain over for the Humboldt lodge meeting in the new temple tonight.

Mr. and Mrs. Steven Posey of Logansport, Ind., are visiting at the home of their niece, Mrs. T. G. Hyatt, 115 North Cedar street.

Mrs. A. S. Stephan of West Church street, will spend Wednesday and Thursday in Delaware, visiting her son Hershel, who is attending Ohio Wesleyan university.

Attorney J. Howard Jones has returned from a several days' business visit at Chicago.

Ed D. Ware of Cleveland was a visitor in the city yesterday and today.

CENTRAL CHURCH

HAS ACTIVITIES OF IMPORTANCE

The services last Sunday at the Central Church of Christ, were well attended, and unusually interesting and helpful to all present. A quiet effort had been made among the members to raise \$1,000 in cash, and the day was called "Thousand Dollar Day." Quite a number who had definitely promised to give could not be present, some having arranged to attend the dedicatory services at St. Louisville. The offerings from these are still coming in, and will continue for a week or more. The special cash offering last Sunday amounted to \$650, and it is quite certain that when it is all in hand it will amount to between \$700 and \$800. If all who promised to help, and all others who are able, will now help according to their ability, the church will be enabled to "clear the decks" and begin the new year without a cent of indebtedness.

The next event that is to engage the attention of the church is the series of evangelistic meetings, beginning Sunday, November 21st, to be conducted by Evangelist Roy L. Brown, of Bellefontaine, Ohio, his son, R. Leighton Brown as cornetist and personal worker, and William Leigh, of Akron, as soloist and chorus director. Evangelist Brown has been in the evangelistic field seven years. This work has been successful in cities and towns alike. Every year he has more calls than he can fill. He preaches fearlessly, and uses no manuscript or notes. He is the kind of a preacher men like to hear; and his message is so simple that children want to keep coming. The terms of their coming are their entertainment, and a free will offering.

Cottage prayer meetings will be held in various parts of the city Thursday evening of this week, and also of next week, in preparation for these special services. The places for Thursday evening of this week, at 7:30 are as follows: Home of H. C. Incho, 409 North Fourth street; home of D. E. Hankinson, 196 Central avenue; home of L. W. Bodle, 449 West Locust street; home of Thomas Young, 123 South Fifth street; home of Michael Brown, 415 Tuscarawas street; home of George Hoover, 230 North Cedar street; home of H. C. Weaver, 203 Lawrence street; home of C. M. VanWey, 135 Elmwood avenue. All of the members of the church are urged to attend one of these meetings, and all others who will attend are cordially welcome. A large attendance is hoped for at the Wednesday evening prayer meetings at the church, also.

TWO ALARMS AT SAME TIME; NO LOSS RESULTS

Two fire alarms received so close together that they almost blended into one, called fire companies to widely separated parts of the city about 6:45 o'clock Tuesday evening. The first came from box 23 and sent headquarters companies to 29 Front street, a house occupied by Miss Drumm where an overheated stove caused a fire scare. There was no loss. The second alarm called the West Newark and North Newark companies to Hull's court in West Newark where a smoking furnace alarmed the occupants of one of the new houses. There was no loss.

When the headquarters company responded to the front street alarm, North Newark company "filled in" at headquarters, almost immediately responding to the alarm from West Newark. The East End company took North's place at headquarters to protect the business district in the absence of the other four companies.

Safety Director Dayton ordered the patrol wagon with a squad of officers to respond to the West Newark alarm to be on hand in case there was need for more help than the fire department had on the two vehicles which responded.

Muggins—"I am convinced that honesty is the very greatest aid to success." Muggins—"But even the second-story man has an ambition to rise in the world."

To the Housewife:—

We take pleasure in announcing that the well known

Pacific Coast Borax Company

will, within a short time, have a number of expert demonstrators in town to explain to you personally the various uses of our Products, including

20 Mule Team Borax
20 Mule Team Borax Soap Chips
20 Mule Team Boric Acid

The three greatest household labor and money savers.

It will be distinctly to your advantage to receive our demonstrators. The information they impart will be of great service to you, and they will offer a

VALUABLE PREMIUM
in conjunction with the demonstration.

In Milady's Boudoir

By Gwen Sears

Oh, milady of moods, do you not indulge in an "out of sorts" day? A day when you direct the maid to say you are not at home to visitors; a day when you grumble and snarl about the room, for no apparent reason, except that you feel just like it.

These days are the fatal foes to beauty and, if you look yourself truthfully in the face that frowns back at you from the mirror, you will admit that you have lost a great deal of your charm.

Does your hair turn down instead of upwards in that usual vicious smile? Why do your eyes stare back at you listlessly without merriment or expression? Why has your hair lost its usual fascinating ripple and graceful curve? Just because you, dear lady, see fit to indulge in that oft recurring "out of sorts" day.

When it is all over and the sunshine comes into your grouchy being again, ask yourself if that awful day really paid. Ask yourself if it was fair to your beauty, yourself and even your friends to remain in a bad temper for a whole day out of your life.

Your Parisienne sister across the seas, even in her most temperamental moments of distress, vents her anger in a simple shrug of her graceful shoulders, but never, never sulks. It would ruin the most precious thing in her life—her beauty and poise.

Every Day Etiquette

"What cards should I send out for a musicale?" asked Mrs. Newlywed. "The hostess may use her visiting card, writing in the lower left hand corner the word: 'musical,' together with the date and time," answered her society mentor.

CLEVELAND FLOWER SHOW.

The Cleveland Flower Show opening this afternoon and continuing until Sunday night, is the most prevalent exposition of its kind ever held in Ohio.

The 65,000 square feet of floor space in The Coliseum is crowded with the choicest and most beautiful plants grown in all parts of the country. One chrysanthemum plant, sent from New York, measures 50 feet around it and is the wonder of the show. The hours of the show are from 9 a. m. to 10 p. m.

HIAWATHA PARK SCENE OF FIRE; COTTAGES BURN

Mt. Vernon, O., Nov. 10.—Fire starting early yesterday morning destroyed a string of 29 cottages at Lake Hiawatha Park, entailing a loss which is said to be fully covered by insurance policies amounting to \$10,000. The property is owned by N. L. C. Kachelmacher of Columbus, being held in the name of his private secretary, Miss Burke. The blaze started in the cottage occupied by Edward Sargent and family, who recently moved to this city from Croton. Most of the cottages were occupied, some of them by workmen employed on the Wooster road contract.

Fifteen years ago, the park was one of the popular resorts in the state and the cottages were filled each summer. P. B. Chase, former theatrical man at Washington, D.C., beautified the place and made it popular all over Ohio.

MACCABEES.

White Carnation Review and Newark Review No. 455 will hold a joint meeting Thursday afternoon, Nov. 11. Supreme Lady at Arms, Mary Stewart of Akron will be with us. All Maccabees are requested to be present. By order of both Commanders.

Your Boys and Girls

Very delicate children, whose appetites are poor and who do not do justice to their regular meals, should be given an extra allowance of hot broth or milk or an occasional cup of chocolate, with bread and butter or a rusk, between meals. Children should never be hurried off to school in the morning with an insufficient and rapidly eaten breakfast.

During school days the food must be abundant and must contain sufficient proteins, starches, sugars and inorganic salts to meet the constant demand for three constituents of a perfect food. Suppers should be light, not stimulating and the food should be made savory and appetizing.

NEWARK PHOTOGRAPHER DOING SPLENDID WORK.

The October number of American Photography, Boston, contains an article written and illustrated by Samuel H. Avery, formerly of Newark, but now of Chicago. The photographs illustrating this article were taken along Raccoon creek, Newark, and at Black Hand. Mr. Avery writes to his mother, Mrs. Mary Avery, of Wilson street, this city, that he considers the scenery around Newark the finest he has yet seen for picture making. Specimens of Mr. Avery's work appear frequently in American Photography and other magazines.

ONE CENT SALE!

Violet Dulce Complexion Powder 1c

One of the famous Violet Dulce Complexion requisites. The name stands for highest quality. One of the best qualities of this complexion powder is that it does not "show" when used moderately. Delightfully scented with the Violet Dulce odor. Brunette, white and flesh tints.

Standard Price. This Sale.

ONE BOX 50c TWO BOXES 51c

Thursday, Friday and Saturday

YOU ASK US, "WHAT IS A ONE CENT SALE?"

It is a sale where you buy an item at the regular price—then another item of the same kind for 1c. As an illustration: The standard price of Rexall Tooth Paste is 25c. You buy a tube at this price and by paying 1c more or 26c., you get two tubes. Every article in this sale is a high class, standard piece of merchandise, just the same as we sell you every day at regular prices and have sold you for years.

You ask us, "Can you afford to sell merchandise at these prices?"

Our answer is, "We cannot. This sale was developed by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full size package of high standard merchandise for 1c. It costs money to get new customers and the loss taken on this sale will be well spent if the goods please you.

A Message To Women

Those of Middle Age Especially.

When you have found no remedy for the horrors that oppress you during change of life, when through the long hours of the day it seems as though your back would break, when your head aches constantly, you are nervous, depressed and suffer from those dreadful bearing down pains, don't forget that Lydia E. Pinkham's Vegetable Compound is the safest and surest remedy, and has carried hundreds of women safely through this critical period.

Read what these three women say:

From Mrs. Hornung, Buffalo, N. Y.

BUFFALO, N. Y.—"I am writing to let you know how much your medicine has done for me. I failed terribly during the last winter and summer and every one remarked about my appearance. I suffered from a female trouble and always had pains in my back, no appetite and at times was very weak."

"I was visiting at a friend's house one day and she thought I needed Lydia E. Pinkham's Vegetable Compound. I took it and have gained eight pounds, have a good appetite and am feeling better every day. Everybody is asking me what I am doing and I recommend Lydia E. Pinkham's Vegetable Compound. You may publish this letter if you wish and I hope others who have the same complaint will see it and get health from your medicine as I did."—Mrs. A. HORNUNG, 91 Stanton St., Buffalo, N. Y.

Make Me Well and Strong.

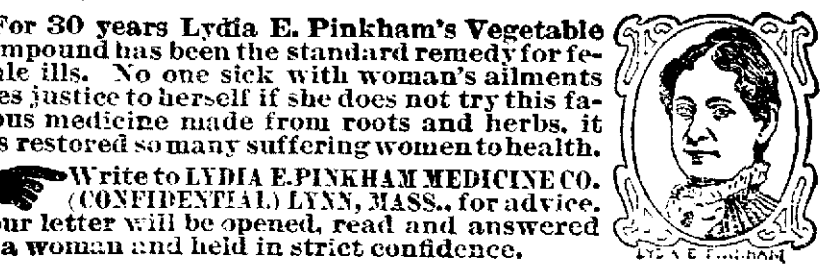

MACEDON, N. Y.—"I was all run down and very thin in flesh, nervous, no appetite, could not sleep and was weak, and felt badly all the time. The doctors said I had poor blood and what I had was turning to water. I took different medicines which did not help me, but Lydia E. Pinkham's Vegetable Compound made me well and strong, and I am recommending it to my friends."—Mrs. FRED CHACE, R. No. 2, Macedon, N. Y.

The Change of Life.

BELTSVILLE, MD.—"By the use of Lydia E. Pinkham's Vegetable Compound I have successfully passed through a most trying time, the change of life. I suffered with a weakness, and had to stay in bed three days at a time. Lydia E. Pinkham's Vegetable Compound restored me to perfect health, and I am praising it for the benefit of other women who suffer as I did."—Mrs. W. S. DUVALL, Route No. 1, Beltsville, Md.

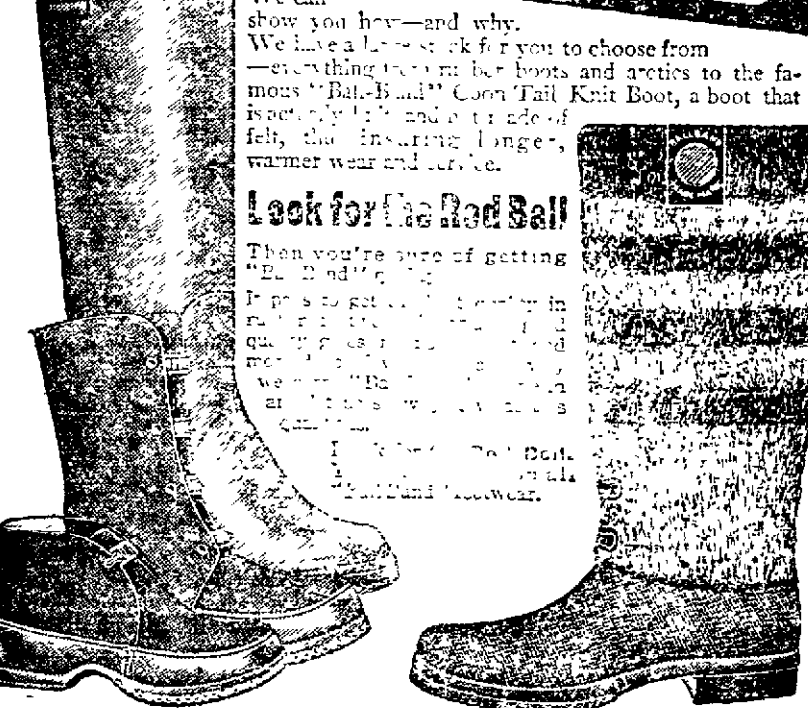

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

Pyorrhea—the disease nearly everybody has

No matter how sound your teeth may seem to be, no matter how you may scoff at the idea of your having this disease, it is a positive fact that the germ which causes it is working now in your teeth.

The appalling discovery of this fact—that the germ which causes pyorrhea is one which inhabits every human mouth—was made over a year ago. Since then dentists have been urging everyone to take special precautions in their daily toilet to prevent this disease from developing in its acute form of bleeding gums, tenderness in chewing and loose teeth.

To meet the need for such a daily treatment and to enable everyone to take the necessary precautions against this disease, a prominent dentist has put his own prescription before the

public in the convenient form of Senreco Tooth Paste. Senreco contains the best corrective and preventive for pyorrhea known to dental science. Used daily it will successfully protect your teeth from this disease. Senreco also contains the best harmless agent for keeping the teeth clean and white. It has a refreshing flavor and leaves a wholesomely clean, cool and pleasant taste in the mouth.

Start the Senreco treatment tonight—full details in the folder wrapped around every tube. Symptoms described. A 25c two oz. tube is sufficient for six or eight weeks of the pyorrhea treatment. Get Senreco at your druggists today, or send 4c in stamps or coin for sample tube and folder. Address The Senreco Remedies Co., 505 Union Central Bldg., Cincinnati, Ohio.

KILLED HIS WIFE THEN SELF; SHE WANTED DIVORCE

(ASSOCIATED PRESS TELEGRAM) Toledo, Nov. 10.—After fatally shooting his wife, Mary, 38 years old, Jacob Muntwiller, 60 years old, a prominent farmer, committed suicide by the same process. Their two children, 3 and 12 years respectively, witnessed the tragedy and notified neighbors a mile away. Muntwiller was angered because his wife had applied for divorce.

Harry Vickers, 30, an electrician, followed his wife to the home of her former husband, and after mortally wounding her, killed himself by firing a bullet into his own head. Mrs. Vickers died early this morning. Both tragedies occurred last night.

TURKISH REPORT; SOME SUCCESSES IN DARDANELLES

(ASSOCIATED PRESS TELEGRAM) Constantinople, Nov. 10.—(Via London).—An official statement issued today at the Turkish war office was as follows:

"On the Dardanelles front artillery duels continued. At the mouth of the Azmakdere our artillery destroyed a bomb mortar position north of Messtanepe. Near Ari Burnu and Simgubair, there were infantry engagements with violent hand grenade fighting on both sides. Our artillery there effectively bombarded enemy trenches. Some minor artillery successes were gained."

"On the Seddul Bahr front there were light infantry and brisk artillery firing with bomb engagements. Two enemy monitors and one torpedo boat participating."

SERBIANS REPORT BULGARS' REPULSE

(ASSOCIATED PRESS TELEGRAM) London, Nov. 10.—Serbians operating in the defiles of Kutchank against the Bulgarians advancing from Uskup to Pristina report an important success, according to advices from Salonika, says an Athens dispatch to the Exchange Telegraph Co. In the region of Strumitsa, British troops have received reinforcement and replaced the French north of Doiran, with the object of harassing the flank of the Bulgarians who are attempting to reach Doiran and Guevgueli in order to compel the allies to retreat. The French are extending their line along the railway from Krivolak toward Veles. A Bulgarian attack upon Krivolak yesterday was completely repulsed.

What Thin Folks Should Do To Gain Weight

Good Advice For Thin Underdeveloped Men and Women.

Thousands of people suffer from excessive thinness, weak nerves and feeble stomachs who, having tried advertised flesh-makers, food-fads, physical culture stunts and rub-on creams, resign themselves to lifelong skinniness and think nothing will make them fat. Yet their case is not hopeless. A recently discovered combination of assimilative agents has made fat grow after years of thinness, and it is also unequalled, judging from reports, for repairing the waste of sickness or family digestion and for strengthening the nerves. This remarkable preparation is called Sargol. Six strengthening, fat-producing assimilative elements of acknowledged merit have been combined in this preparation, which is endorsed and used by prominent people everywhere. It is absolutely harmless, inexpensive and efficient.

A few weeks systematic use of Sargol should go far to produce flesh and strength by correcting faults of digestion and by supplying nourishing fats to the blood. If not, every druggist who sells it is authorized to return the purchase price. Increased nourishment is obtained from the food eaten, and the additional fats that thin people need are thus provided. Evans Drug Co., and W. A. Erman, 22 North Third street and other leading druggists supply Sargol and say there is a large demand for it.

While this new preparation has from reports given splendid results as a nerve-tonic and vitalizer, its use is not recommended to nervous people unless they wish to gain at least ten pounds of flesh.

BONDING COMPANY TURNS ROAD JOB TO NEW CONTRACTOR

Shawnee, Nov. 10.—Toy & Muligan, successful bidders on paved road to be built between New Straitsville and Shawnee, failed to comply with conditions of the contract and the bonding company has awarded the job to T. J. Connell of Cambridge City, Ind., at \$38,000. The work has been started and will be pushed.

LIBERTY BELL TO START TOMORROW FOR PHILADELPHIA.

(ASSOCIATED PRESS TELEGRAM) San Francisco, Nov. 10.—San Francisco today paid its last official respects to the Liberty Bell, which will start tomorrow on its homeward journey to Philadelphia. Since July 17, the relic has been on exhibition under guard at the Pennsylvania building at the exposition, where it is estimated 8,000,000 persons have viewed it. As a part of the farewell exercises each of the states and nations represented placed a wreath on the bell.

GERMAN PRAISES AMERICAN NOTE IN EDITORIAL

(ASSOCIATED PRESS TELEGRAM) Amsterdam, Via London, Nov. 10.—Commenting upon the American note to Great Britain, the Cologne Gazette says:

"If the American government acts according to the wording and spirit of the memorandum, it will acquire imperishable merit for the release of the sea from England's despotism. The note makes known to the whole world through the mouth of the mightiest neutral, which is England's friend, how Great Britain, in this war has trampled down international law, destroyed the freedom of the seas and despised the interests of the neutrals."

The memorandum prints a stigma upon England which she never can remove. She has abused her sea power in order to exercise upon the sea the despotism which brought her immense advantage but incalculable prejudice to universal trade."

FARMERS' SCHOOL

SUMMIT STATION
DECEMBER 13-17

Traveling College of Agriculture
Coming to Licking County—
One School in Each County
Each Year.

Summit Station is to have one of the Extension Schools, sent out by Ohio State University, during the week of December 13-17. Farmers and homemakers have the opportunity during the week to study better methods under specialists from the University, who will give instruction in Soil Fertility, Farm Crops, Poultry Raising, Animal Husbandry and Home Economics.

All the apparatus and materials for the demonstrations and use by the students in the laboratory work is furnished from the University. An Extension School has been described as a traveling college of agriculture. Each school is moved to a different locality each week. Only one school can be scheduled in a county each year.

The Extension School at Summit Station was secured through the community work and progressive spirit of the farmers and home makers in the vicinity, who want the opportunity to secure agricultural instruction under the University specialists. The worth of the schools was shown last year by the increased interest in better farming methods in every community. Many more requests were sent to the University for schools this year than could be filled.

Members of the committee in charge of the school have full-week tickets for sale. The fee is only a small part of the expense of holding the school. Keep the date in mind, talk the school over with your neighbor, secure a ticket and arrange to attend the school during the week of Dec. 13-17. A bulletin describing the course of instruction and giving the complete schedule of Extension Schools in Ohio will be mailed on request to the Agricultural Extension Service of Ohio State University, Columbus, Ohio.

GERMAN LOSSES

OVER 2 MILLION
UP TO PRESENT

(ASSOCIATED PRESS TELEGRAM) Rotterdam, Nov. 10.—Via London.—German losses from October 10 to November 2, in dead, wounded and missing were 78,376 according to figures published by the Courant which presumes these casualties relate to the Champagne.

The total Prussian losses to date, the paper says, have been 2,099,434, not including 250,000 Bavarian, 293 Wurtemberg, 280 Saxon and fifty navy lists, and the lists of officers and non-commissioned officers who have been lost while fighting with the Turks.

BOOKER WASHINGTON IS IN A HOSPITAL IN NEW YORK CITY

New York, Nov. 10.—Dr. Booker T. Washington, principal of Tuskegee Institute, is confined to a local hospital, suffering from a nervous breakdown it became known last night. While his condition is said to be serious, physicians said that it was not necessarily critical.

District 15, Central Church of Christ, will hold a prayer meeting Thursday night at the home of Mr. and Mrs. Henry Weaver, 203 Lawrence street.

WATCH SORE THROATS.

because swollen glands or inflamed membranes often affect other tissues and lung trouble easily follows. As Nature's corrector of throat troubles the pure cod liver oil in Scott's Emulsion is speedily converted into germ-resisting tissue; its tested glycerine is curative and healing, while this wholesome emulsion relieves the trouble and upbuilds the forces to resist tubercular germs and avert the weakening influence which usually follows.

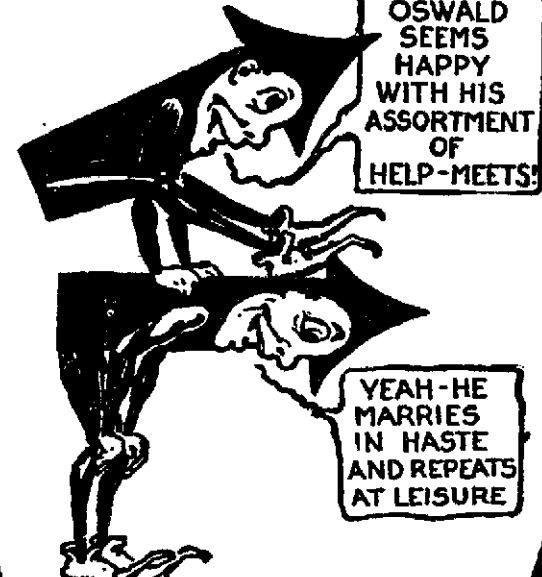

If any member of your family has a tender throat, get a bottle of Scott's Emulsion today. Physicians prescribe it to avert throat troubles, overcome bronchial disorders and strengthen the lungs. No alcohol or harmful drugs. Always insist on Scott's. Scott & Jones, Bloomfield, N. J. 12-18

The bigger your family, the smaller your dollar

It's sad, but cheer up: in the matter of pleasure and pastime for your wife and kiddies, **Wrigley's** offers a most economical confection. It's long-lasting and beneficial. DON'T SUFFER—LAUGH AT STOMACH MISERY

T. J. Evans Will Return the Money If Mi-on-na Does Not Relieve Dyspepsia.

Among all the remedies in T. J. Evans' popular drug store, there are a few that he is willing to sell on a guarantee to refund the money if they do not cure.

Mi-on-na, the famous dyspepsia remedy has helped so many of his customers that T. J. Evans says: "If this remedy does not relieve you, come back to my store and I will cheerfully return your money."

Anyone who has dyspepsia, indigestion, headache, dizzy feelings or liver troubles, should take advantage of this chance to be made well without any risk of spending their money to no purpose. Mi-on-na will relieve you, will regulate the digestion, will enable you to eat what you want. If it does not do all this it will not cost you a cent.

T. J. Evans has sold hundreds of boxes of Mi-on-na in the last few weeks and has yet to receive the first complaint from any customer. Such a record is simply marvelous and speaks volumes for the merit of the remedy.

It is easy enough to fill a column with the symptoms afflicting those who have dyspepsia, but there is no need of describing their condition. What they want is relief and they can get it in Mi-on-na. Do not suffer a day longer with disordered digestion. If Mi-on-na relieves you it costs you 50 cents a box, if it does not, you have T. J. Evans' personal guarantee to return your money.

join him in an expedition of that nature. The two gentlemen are at Buckeye Lake today and tomorrow will try muskellunge in the Wakatomica near Frazzysburg.

Birth Announcement.
Mr. and Mrs. B. D. Graham of Cleveland, O., announce the birth of a daughter, Marian Elizabeth, on Monday, November 8.

Life Net Tested.
Firemen and others about headquarters this afternoon gave the life net a try. The net is a new service truck equipped with a try out in the rear of the fire station. There were not enough hands around the net to permit a jump from a high point but a jump from a height equal to the second story was handled easily. The net is suspended from the circular frame by springs and the weight of a heavy man falling into the net produced only a slight shock to those holding the net.

Install Water Service.
Waterworks employees are engaged this week in putting in water service connections in Tenth street, preparatory to paving the street next spring. All water connections are being carried to the curb line.

String New Trolley.
Linemen for the Ohio Electric this morning strung a new copper trolley wire along the line in West Main street. The stringing was accomplished without delaying traffic.

Track men have been engaged for several days installing new switches at both ends of the double track in Church street.

Property Owners' Meeting.
Attention of the property owners in Hudson avenue is called to the public meeting of the property owners which will be held in the Council Chamber on Friday evening at 7:30 o'clock. At this meeting the bids will be tabulated on a blackboard and discussion of materials and the relative costs will be had. The meeting is held with a view of taking some action on the resurfacing of Hudson avenue.

Mr. Maurice Kent in Cleveland.
Mr. Maurice Kent of the firm of Kent Brothers, Florists of Church street, left today for Cleveland to attend the annual state convention of Florists and to attend the big flower show which is being held in that city.

Monthly Meeting.
The regular monthly meeting of the Dorcas Bible class of the Central Church of Christ will be held at the home of Mrs. Robert Pinner, 112 East Channel street Thursday afternoon at 1:30 o'clock.

Removed to New Address.
Mr. and Mrs. Frank Trost who have been residing at 204 West Main street have removed from that address to 18 Eighth street.

Resigns Position.
Miss Julia Belmar, of Wilson street who has been employed in the cashier's department of the Meyer and Lindorf store has resigned her position.

Missionary Meeting Postponed.
The regular monthly meeting of the Woman's Missionary Society of the Fifth Street Baptist church will be postponed from Thursday to Friday of this week, when an all day prayer meeting for missions will be held. Further notice of this meeting will be given.

Escaped Injury.
A traveling man who refused to give his name, was thrown to the street when he attempted to board the limited car for Columbus at Main and Fourth streets, Tuesday afternoon, but escaped injury. Just as the man caught hold of the handles at the rear step, the front of the car ran into the switch, swinging the rear step away from the passenger, throwing him to the street.

After Big Catch.
Joseph Kohler, of Columbus, well known to many Newark residents, and former manager of the Hartman cafe, now proprietor of a leading restaurant in North High street, is in the city as the guest of his friend John Kieffer, corner Fifth and Church streets. Mr. Kohler is an ardent fisherman and hearing of the splendid catches which were being made by his friend, decided to

Sore Throat Don'ts
When the children have sore throat, don't blister their necks with lamp oil. Don't torture them with a foul smelling piece of fat meat, wrapped about the neck. Don't imagine there is medical virtue in an old sock or piece of red flannel. Don't believe in antiquated superstitions.

A sore throat is a serious matter and is not to be healed by such make-believe remedies. The use of such methods is simply torturing the patient to needless trouble. Use a little sore throat wisdom and give them TONSILINE and the throat will heal quickly. 25 and 50 cents at all druggists.

The Tonsiline Co., Canton, Ohio.

Lyric—"Vengeance of Gualdo" (Sydney Ayres): "A Bath House Tragedy."

Nancy Boyer in "Baby Mine."
Tonight Margaret Mayo's inimitable farce "Baby Mine" will be presented at the Auditorium by Miss Boyer and her clever company.

This comedy ran for over a year at Daly's Theatre, New York, and for the same period at the Criterion Theatre in London.

Margaret Mayo is the author of "Polly of the Circus" and "Twin Beds," but in "Baby Mine" she has turned out her greatest success.

The farce which begins with a smile, ends with screams of laughter.

Miss Boyer has secured "Baby Mine" from William A. Brady at a large royalty and on condition that it shall be given a first class production and for this reason special scenery and properties are used in the presentation of the play.

Nancy will appear in her most fetching gowns, especially chosen for the occasion with her usual dainty tastes.

Tomorrow afternoon "A Butterfly on the Wheel."

Howe's Pictures.

Obviously some theatrical attractions come here occasionally that some people can afford to miss, once in a while there is something that everybody can afford to miss—but an attraction that no one can afford to miss is Lyman H. Howe's Travel which comes to the Auditorium matinee and night on Sunday, Nov. 14.

This assertion applies even more for the forthcoming visit than any preceding one, not merely because Mr. Howe promises a trip to both California Expositions through the Panama Canal, a ride on a submarine, a pictorial excursion to Burges, Belgium, to Holland, etc.,—but because it will also be a return engagement of that delightful, thrice-blessed, never-to-be-forgotten baby which appeared here once before and having the time of his year old life breaking, tearing and eating lots of things and then finding bliss supreme by sitting in the very happiest middle of a nice, big, soft, pudgy and black mud—a picture of child life which prompted Douglas Gordon of the Richmond Times-Dispatch to address him thus: "Baby, happier than any piggy that ever squealed, you'll never be so exalted in all-glorious ecstasy again. So sit there, dabble in it, lie down in it and roll; many a man who watches you has wished in his life for just such a beautiful puddle as you've got."

Alhambra, Friday and Saturday.
Blanche Ring is wearing some stunning frocks in the new Oliver Morosco motion picture, "The Yankee Girl." While Pasadena talk present during the Hotel Huntington scenes seemed much enthused when she appeared in her smart riding, togs, and devotees of the surf at Santa Monica thought her a dream in her bathing suit, yet it is the three evening gowns she uses in the play that deserve the real praise. One worn on the yacht is all cream Chantilly lace combined with satin of the palest primrose, while a third is a rare Italian lace with chic touches of sapphire velvet.

"On Trial" at Hartman.
One of the most important engagements of the season at the Hartman Theatre, Columbus, will be that of Elmer Reizenstein, great drama, "On Trial," which will be seen at the Hartman Theatre, Columbus, the entire week of November 15th, opening Monday night, and with matinee given Wednesday and Saturday.

As nearly every one at all conversant with theatrical affairs now known, "On Trial" made perhaps the most pronounced hit of the dramatic season in New York last year. The piece is still running in New York, and in Chicago, and its success is so great that the producers have decided to send it out through the larger cities of the country.

The company which will present this remarkable drama at the Hartman is a superb one, containing such names as Charles Darran, Westcott Clarke, Harry Cowley, James Jay Mulry, P. J. Rollow, Harry West, Barry Maxwell, George A. Cameron, George Fredericks, Beulah Watson, Alice Phillips and Florence Moore.

"On Trial" is a Cohan and Harris production, which means that it is in all ways of super-excellence.

Have you ever been one of a jury on a murder trial? If not, you have only to go to see "On Trial" when it is presented at the Hartman, to realize the sensations attendant upon such an experience. And to realize also, how it feels to take an active part in an ordeal of this kind, and to live with the accused through his hours of suspense and agony, and, in this case, his acquittal by unanimous verdict.

CLAIM MAN AND WOMAN VICTIMS OF PICKPOCKET
Police officials will investigate the charge made against Thomas Bolan and Charles Campbell, arrested yesterday, that they "touched" a man and woman at the Ohio Electric station late Tuesday afternoon. The men were arrested by Officers Powell, Donley and Francis at 5:10 o'clock. Both were stated "drunk and investigation." In police court they were fined \$5 and costs and ordered committed to the city prison until the other charge can be investigated.

PAPE'S DIAEPSIN FOR INDIGESTION OR BAD STOMACH

Relieves sourness, gas, heartburn, Dyspepsia in five minutes.

Sour, gassy, upset stomach, indigestion, heartburn, dyspepsia; when the food you eat ferments into gases and stubborn lumps; your head aches and you feel sick and miserable, that's when you realize the magic in Pape's Diaepsin. It makes all stomach misery vanish in five minutes.

If your stomach is in a continuous revolt—if you can't get it regulated please, for your sake, try Pape's Diaepsin. It's so needless to have a bad stomach—make your next meal a favorite food meal, then take a little diaepsin. There will not be any distress—eat without fear. It's because Pape's Diaepsin "really does" regulate weak, out-of-door stomachs that gives it its millions of sales annually.

Get a large fifty-cent case of Pape's Diaepsin from any drug store. It is the quickest, surest, stomach relief and cure known. It acts almost like magic—it is a scientific, harmless and pleasant stomach preparation which truly belongs in every home.

BRITISH

(Continued from Page 1.)
night clearing for Tampico, Mexico, carrying a large stock of provisions and manned principally by a crew of Germans. An American flag painted on her hull had been painted over and it was reported that while at sea she flew the German colors, although that was flatly denied by her owners.

The ship moved from Tampico to Campeche where British agents located her and reported she bore a large quantity of rosin for which there was no ostensible use in Mexico although it is used largely for making shrapnel. They also reported their suspicions that she bore a large quantity of copper and the British view was that the ship was waiting for an opportunity to slip out with the cargo for some port where it would find its way to Great Britain's enemies.

Nothing further of her movements was reported until today when the American consul reported she had been forcibly searched in port by a party from the British cruiser which had been lying outside.

What the searchers found, the consul did not report, but inasmuch as he reported the cruiser still lying in wait, it was supposed here they had found something they believed would justify further action when the Zealandia puts to sea.

The forcible searching of an American ship in a neutral port probably would constitute one of the most serious issues to arise between the United States and Great Britain in the controversy in the "channels of diplomacy over the British navy's conduct toward American shipping."

While awaiting further details, officials were silent. A thorough investigation will be made.

VIOLATORS OF AUTO LAWS TO BE PROSECUTED

Mayor Bigbee and the Police department are determined to secure a more uniform observance of the statutes and ordinances governing the operation of automobiles in the city limits. Open buffers, speeding are the particular violations which are causing most of the complaints and it is the automobile driver who disregards these laws who will be looked after. Mayor Bigbee this morning issued the following statement:

"I wish, through the columns of the city papers, to call the attention of all persons using motor vehicles, to the constant violations of both the statutes and city ordinances, in the operation of such vehicles. It is the desire of the executive officers of the city that all persons, using motor vehicles, cooperate with them by obeying the law, and thus avoid prosecutions. However, those who insist upon disregarding the law, in spite of all the warnings offered, must expect to suffer the penalty, for they will be prosecuted as the law prescribes."

The open buffer is one of the most aggravating of the offenses. It is probably violated by more automobile drivers than any other regulation.

SUPERINTENDENT ELMER JORDAN IS TAKING A REST

Elmer W. Jordan, county superintendent of schools will be out of the city for a few days. He has been advised by his physician to suspend work for a time, and it is with regret that he does this but hopes to be able to return to his work in a few days. A clerk will be in the office from 9 to 11 and from 1 to 3 o'clock each day, except Saturday when the District Superintendent Zwyer will be in charge.

The unmarried woman who is interviewed for publication isn't the only one who claims to be Miss-quoted.

Salting and Working

From the tempering room "Columbus" is moved to the automatic butter workers, where this "Purest Spread for Bread" is salted and worked.

It is thoroughly mixed by the workers until it has an aroma, flavor and texture equal to the finest creamery butter.

ABSOLUTELY FREE WITH Columbus Oleomargarine

The following Rogers Silver Premiums are given away free for trade marks from this "Purest Spread for Bread."

Art Needlework For Holiday Gifts

If skillful fingers have holiday fancy work to do, it is high time it was started. There is considerable activity in the fancy goods department right now, and we are splendidly prepared with all the materials for this interesting work, in Royal Society Goods, new Crochet and Embroidery Packages.

The package contains materials of fine quality, stamped in attractive designs, embroidery cotton and diagram. You can buy—

Luncheon Sets
Pillow Tops
Center Pieces
Gowns
Bondoir Caps
Infants' Dresses
Carriage Pillows
Lamp Shades

Covers for Card Table
Scarfs
Kimonos
Combination Suits
Aprons
Children's Dresses
Guest Towels
Camoisoles

The prices range from—each..... 25c to \$1.00

Look at The Display of Royal Society Finished Pieces

Finished pieces are here of practically everything we have to offer you in the stamped pieces. After you have seen how handsome these pieces are, after they have been embroidered, it will be an easy matter for you to decide which you prefer to embroider.

Everything Choice in Fancy Baskets

It's none too soon to select gifts from these beautiful baskets. There's such an immense assortment of styles and weaves, in sewing baskets, waste baskets, market baskets, baby baskets, flower baskets, hamper baskets, fruit baskets. Also the fragrant sweet grass baskets, in many odd shapes, some with handles, others without handles. Prices range from..... 20c to \$4.00

Klever-Kraft Silver

Just what you want for your table. A new line of mounted ware, that will last for years. The mountings are heavily silver-plated and lacquered, and need never be immersed in water. Wipe them off with a damp cloth; will always keep them clean and bright. The earthenware and glass linings are removable. Mounted earthenware and glassware are standard merchandise. Before the appearance of Klever-Kraft Silver, however, attractive mounted ware was too expensive for use in the average family. Klever-Kraft Silver was designed to meet this demand. It is within the price of the humblest purse. Yet the beauty and distinction of its design is not excelled by ware selling for much higher prices. Don't fail to see it, large round casseroles, individual casseroles, ramekins, mustard jars, custard cups, low compotes, sherbet glasses, individual roebuck vases, are on display.

Prices—each..... 25c to \$4.00

If You Need a New Hair Switch Buy it Now and Save Money 1-4 Off The Marked Price

GIANT LENS TO STUDY PLANETS IS BEING MADE

(Associated Press Telegram) Pittsburgh, Nov. 10.—During a lecture here last night Dr. John A. Brashear, president of the American society of Mechanical engineers, and one of the most eminent astronomers revealed to his audience that there is nearing completion in Pittsburgh under the direction of James B. McDowell, the largest reflecting mirror ever made. It is 72 inches in diameter and weighs two and a half tons with a focal length of thirty feet. The mounting is being made in Cleveland, and when the telescope is finally set up on Saanich Hill, B. C., the total weight will be some 260 tons.

Grinding of the immense piece of glass, Dr. Brashear said, was not a very difficult operation, but workmen were now engaged in correcting possible error to the one-two-hundred and fifty thousandth of an inch of a parabolic curve. This work is carried on in an underground apartment where conditions as to temperature are as perfect as science can make them and never varying more than two degrees a month. It is possible to work on the lens only half an hour in twelve hours, and it is expected the lens will be completed in about a year.

The telescope will be erected on Saanich Hill, by the Canadian government and will be for photographic use in the study of the planets. The lens which when completed, will be 12 inches thick, will collect 4,000 square feet of light.

A Sensible Way To Cure a Cold And Stop Catarrh

You'll never know what you are missing until you try NOSTRIOLA for Colds, Nasal Catarrh, Hay Fever, Sore Throat and kindred affections. A small tube will be enough to try. All druggists now sell and recommend NOSTRIOLA for Colds and Catarrhal troubles, and it is so simple and sensible that it appeals to everyone.

The nose and air passages are the breeding places for germs. When the mucous membranes are sore, inflamed and sensitive you catch cold easily, and colds lead to Catarrh, Hay Fever and kindred affections. All need NOSTRIOLA as a preventive. Get a small tube of your druggist today, and you'll wish you had tried this simple treatment sooner.

BURNING SHIP IS ABANDONED; CREW RESCUED

(Associated Press Telegram) Galveston, Texas, Nov. 10.—All hope for an unidentified Italian steamer or fire in the Gulf, 65 miles off Sabine bar, was abandoned early today when the American steamer Gulfstream, standing by, reported by wireless that the flames from the burning vessel were shooting high into the air and that she seemed certain of destruction. The crew had been taken off by the tug Russell, which is expected to land them here today. Maritime men here believe that the vessel is the steamer Livietta, 1,700 tons, of Genoa, which sailed yesterday from Port Arthur for Buenos Aires with a cargo of case oil and gasoline. She carried a crew of 26.

GOVERNMENT WILL CONFISCATE OILS.

(Associated Press Telegram) Amsterdam, via London, Nov. 10.—A dispatch received here from Berlin, announces that the federal council has voted to confiscate all oils and fats, which henceforth will be sold only through a government commission.

KRUPP'S BIG DIVIDENDS.

Amsterdam, via London, Nov. 10.—A dispatch received here from Essen, says the profits of the Krupp works last year amounted to \$6,000,000 marks, (\$21,500,000) as against \$3,000,000 marks, (\$8,250,000) the preceding year, and that a dividend of 12 per cent was distributed.

MAKES FOLKS HAPPY TO GET MORE FLESH

NERV-WORTH HAS CAUSED THOUSANDS TO "THROW UP THEIR HATS" OVER GAINS IN WEIGHT.

Readers of these Nerv-Worth ads must have marked the notes of gladness continually struck by users of that greatest of nerve tonics. Many of these have come from recollection of the records of the scale beam. To have been weak, run down, a loser of flesh and then to have firm muscle and added flesh is a change certain to stir gratitude in the recovered person's heart.

And Nerv-Worth is a power in bringing about such a change. Its tonic properties are such that a gain of flesh is very often a result of its use. Hundreds of written and verbal statements are on file in the company's office to that effect. The Evans drug store, Warden block, sells Nerv-Worth and cheerfully refunds your dollar if the tonic does you no good.

NATIONAL Y. W. C. A. HEADQUARTERS IN NEW YORK; MEMBERSHIP 342,305

National Y. W. C. A. Headquarters, New York City, membership 342,305. Members under 18 years of age, 45,091.

Local organizations in 265 cities, 699 colleges; 11 countries. National Motto—"I am come that they might have life and that they might have it more abundantly" John 10-10.

The fundamental purpose of the national organization is to provide an instrument by which the church problems of life and character, which the women and girls of our land are today facing. Its ultimate aim is, therefore, a continuous increase in the number of those who accept the Lordship of Jesus Christ as the way indispensable to fullness of life and development of character.

To accomplish this purpose the organization has a clear-cut program of practical effort for the extending and the perfecting of the Association as a local institution. An organization made up of units so widely scattered cannot meet often. This organization meets once in two years at a convention made up of delegates from the local Association. In the interim of its conventions its work is entrusted to a national board.

The national board is the central organization for all Young Women's Christian Associations in this country. It employs 45 headquarters specialists and 70 travelling or field secretaries. Working through this staff from its new 12 story building in New York City serves as a Clearing House, Information Bureau, Consulting Expert for the administration and problems of all young women's Christian Associations in cities, colleges or small towns.

The national board consists of strictly resident members and a representative from each of its field committees and has its headquarters in New York City. Its officers are a president first and second vice presidents and secretary and a treasurer. It employs a staff of 80 secretaries and office workers. It operates a national training school (1) which is a graduate school offering professional courses for employed officers in the Y. W. C. A. association. Although an American school the roster includes names of students from ten other countries. The graduates from this school are inadequate to meet the demands for trained secretaries as the demands come both from home associations and from many in the world's field of work.

(2) The National Board also maintains "Training Centers" in connection with various well directed associations, in different parts of the country, where preliminary training in practical association work is furnished.

(3) For practical and efficient administration territory of the United States is divided into eleven fields, the work of each being directed by its own committee, and all fields being related, through that national board. Ohio and West Virginia from one field with headquarters at Cincinnati and a staff of secretaries of which Miss Elizabeth Hughes is chairman and chief executive for the field.

Miss Constance McCorkle, who is so pleasantly remembered as the organizer of the local association, is a member of this staff at Cincinnati. She has helped the local association in many ways, and was the inspiration of the movement to form industrial clubs from among the girls working in our local factories.

(4) It also provides "Voluntary Workers Institutes" lasting from one to two days for the training of boards of managers. They are held in local city associations in different parts of the country.

The "Department of Method" makes a continuous study of the needs of young women in all parts of the country and at the same time a study of the association as a co-operative instrument of service; it con-

ceives new adaptations of the Association to any particular group, makes practical tests in different parts of the country of their work, outlines methods and is available for expert counsel. Extensively—it is studying the following groupings: Professional schools, state universities and high schools, private schools, Indian schools, negro schools, industrial communities in cities, mill villages and rural communities. Intensively it is making a study of economic management, physical work and hygiene, educational work and religious work in the association.

The national board has eleven secretaries whose salaries are paid by individuals.

Y. W. C. A. IN CHINA.

The following clipping from a local publication of Shanghai, China, brings us the point of view of Western people in the Orient concerning the physical work of the Y. W. C. A. "A gymnastic exhibition arranged by the national Y. W. C. A., at the Eliza Yates school, yesterday, was as big an eye-opener concerning the development of China through the younger generation as was the Olympiad (an athletic meet of men students of an athletic club).

Only a few privileged males were allowed in the grounds. There were also present about a hundred or so foreign ladies and perhaps four or five hundred Chinese mothers. Pupils from the Shanghai Girls' School (Baptist) South Gate (Presbyterian) and Bridgman Memorial (Women's Union Mission) schools and the Y. W. C. A. went through the regular western gymnasium drills, exercises, games and a variety of dances such as certainly no Chinese woman would have dreamed of a few years ago. Miss Chun (the physical director) was a bundle of concentrated energy.

Now skipping on the lawn, now tapping out commands like a drill sergeant, she moved about the groups with the greatest ease.

The exercises reflected the greatest credit on Miss Chun. The difficulty of training girls who have never had anything like this sort of work may well be understood.

The dancing, however, was a treat. Evidently it appeals to the Chinese. The girls went at it as though they thoroughly enjoyed it. Most of the movements were simple yet the few intricate ones were well done.

Following was a part of the program:

Folk dances—1. children's polka;

2. wash-woman's dance; 3. Norwegian mountain march. Marching—1. ribbon drill; 2. butterfly dance; 3. aesthetic dancing. Games—1. bat ball; 2. pin ball; 3. obstacles relay race; 4. simple games.

Closing out of all of our children's hats this week at 25c to \$1.00. Worth from \$1.00 to \$3.00. 9-3t CLOUSE & SCHAUWEKER.

Granville

(Special to Advocate.)

Granville, Nov. 10.—The first number on the Lyceum course, Ben Greet Players, was given Saturday evening to a capacity house. Some disappointment was expressed that the play "Much Ado About Nothing," was given instead of "Twelfth Night," as had been requested but at the end of the entertainment everybody was happy.

The young people of the high school were greatly surprised when they learned that two of their number, Mr. Geo. Nichols and Miss Edna Rose, had stolen a march on them and entered the marriage relation. The happy couple left Granville Saturday evening. Mr. Nichols has a position at Akron, O.

Announcement was made in the Presbyterian church Sunday of the annual praise meeting of the Woman's Missionary Society to be held on Friday, Nov. 19. This meeting will be looked forward to with great pleasure as Mrs. Grant Jones, a returned missionary from India is to be the speaker.

Special interest is manifested in the series of Sunday evening sermons now being presented in the Presbyterian church by the pastor, Rev. E. D. Barnes, on "A Study in Bible Poets." The first of the series was given Sunday night, being "Nabal—the Typical Fool." The subject for Nov. 14 will be "David's Fool."

The Traveler's Club meeting was held in the Baptist church Monday afternoon. Members responded to roll call by giving "Alaskan Facts." Mrs. Malone then gave an excellent paper on "Eskimos," telling of the home life and customs of these people who inhabit "Seward's Iceberg." After a short intermission, the second paper "The Reluctant," was presented in a very delightful manner by Miss Howe. Club interest is growing and the meetings are well attended. The club adjourned to a business session.
